PARSONS

Career in Pharmaceutical Marketing

Product Officer

We are a large pharmaceuticals company, with a diversified range of health care products. We have been active in this field for last 46 years and are currently placed among the first 5 in order of turnover. Over the year we achieved excellent growth in both revenue and market share and are widely recognised for the quality products and services.

Our current growth initiative has created several positions for **Product Officer** in Product Management Department to be based at company's Head Quarters in Dhaka.

Responsibilities
The job includes preparation and implementation of marketing plan for commercial success of the assigned product groups. Developing appropriate strategies and organising promotional campaigns to influence customer adoption process is a must. The incumbent has to envisage ever-changing market trend and to take proactive decision to maintain and enhance products competitive position in the market.

Qualifications
The successful candidate will be in their early thirties with a M. Pharm./MBBS or MBA major in Marketing having experience in pharmaceutical marketing gained in any reputed organisation. The position demands sound command over both written and verbal communication. Excellent interpersonal skills is a critical requirement and computer literacy will be an added advantage.

Interested candidates are requested to send their applications addressed to **Human Resources Department** along with resumé, passport size photograph and telephone contact details to **GPO Box 2962, Dhaka** on or before **08th July 2002**.
