Immediate CUCSU polls demanded

BSS, Chittagong

Several student organisations and members of Senate demanded immediate election to Chittagong University Central Students Union (CUCSU) which remained suspended for the last 12 years.

Some Senate members who attended a budget session of the university here on Sunday urged the university authorities to take early steps to hold CUCSU election to generate healthy student activities on the campus.

The first CUCSU election was held in 1970 while the last one took place in 1989. But later elections were suspended for indefinite period in the face of growing violence on the campus by the rival student groups.

General students demand immediate election as they feel that there was no other forum for them to place their grievances before the university authorities. Besides, they said that the campus had become lifeless in absence of elected CUCSU.

They, however, said the university authorities could not hold election due to non-cooperation of student organisations.

Talking to BSS separately, Is-lami Chhatra Shibir President of Chittagong University Unit Alauddin Siddar and his Chhatra League counterpart Mahbub Elahi said they wanted immediate CUCSU poll to generate activities on the campus in the greater interest of students.

The Pro-vice Chancellor of the University Dr Mohammad Shamsuddin said the authorities would consider the issue of CUCSU election since the demand came from all corners.
