Job Vacancy

Programme Coordinator-Sunamganj Pilot Programme

The Swiss Agency for Development and Cooperation is an International Development Agency working in partnership with Governmental Agencies, NGOs, as well as other International Agencies. Applications are invited for the post of **Programme Coordinator**, to be based in Sunamganj. Programme Coordinator will assist the Programme Director and be responsible to coordinate activities of partner NGOs, management including finance of the SDC Programme Office in Sunamganj, maintain liaison with Government institutions, NGOs, other Civil Society groups and individuals in relation to the programme. The candidate should have knowledge and skills in poverty relevant project planning, monitoring, documentation and communication e.g. PRA method. The candidate should also be knowledgeable in aspects of information management. The activities require frequent travelling to the remote villages of Sunamganj district.

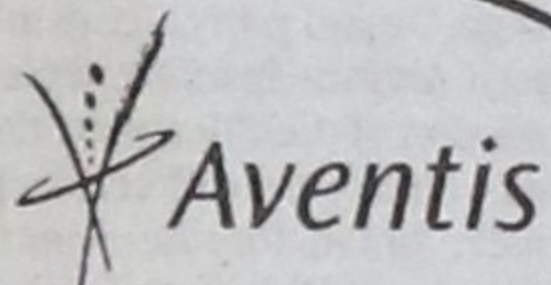

The successful candidate should :

- have obtained a master degree in social science or related subject;
- exhibit excellent written and spoken English and Bangla;
- have good command on Sylhet dialect;
- be able to ride motor bike;
- be able to work in a small team;
- possess computer working skills;
- be initiative and used to work independently;
- have accumulated at least five years of relevant professional experience.

The appointment will be initially for 2 years; it may be extended depending on the extension of the project.

Candidates motivated to work in this area and confident for the above position should send their applications to **'Banani P.O. Box : 9100'**, Dhaka by the **20th of August, 2002.**

Applications should include a CV, photograph, the name and telephone number of two professional referees and the minimum expected salary. The envelope should be marked **'Application for the post of Programme Coordinator-Sunamganj Pilot Programme'**.

The merger of Hoechst Marion Roussel and Rhone-Poulenc Rorer into the new global player Aventis is creating new opportunities within the pharmaceutical industry. Aventis combines an innovative pipeline with strong growth of new products in all of the world's major markets.
