'Overpopulation not

BSS, Chittagong

Foreign Minister M Morshed Khan has said overpopulation is not necessarily a problem for national development if it could be turned into human resources through proper education.

Proshika to distribute WFP biscuits among schoolchildren

BSS, Dhaka

Proshika, a leading NGO of the country, has been entrusted with the responsibility of distributing protein-rich biscuits among 60,000 schoolchildren of Dhaka city by the World Food Programme (WFP).

Under the first phase of this 3year project, a pilot programme of 8-month duration would be implemented at 61 government and 474 non-government primary schools of Pallabi of Mirpur and Kamrangirchar of Mohammadpur

With the logistic and financial support of WFP, Proshika would carry out this job of distributing biscuits among 60,000 children *! everyday.

Meanwhile, Proshika signed a Letter of Understanding (LOU) with the WFP for distributing biscuits under its School Feeding Programme.

Morshed Khan was addressing as chief guest a review meeting of secondary education and prize giving ceremony of Gomdandi Pilot High School here on Satur-

Presided over by Boalkhali secretary of city BNP Abu Sufian.

The foreign minister said the government has laid emphasis on improving the quality of education has been given to education sector in this year's budget, he

He called upon the students to build them selves as worthy citizens through proper education. He also asked the teachers to discoaching.

Later, Morshed Khan distributed cheques and prizes among

The foreign minister also ad dressed another public meeting organised by Bangladesh Jatiyatabadi Sramik Dal.

The participants exchanged months back under Bangladesh Telecommunication Act 2001 with full powers to regulate the telecommunication sector including its development through efficient regulation as an independent body. The government retains only the power of policy-making, international relations, foreign contract and training.

The state minister said that in the interest of unfettered growth and development of national economy through commercial competitions by private investors, the need for speedy disposal of dispute assumed momentum, which led to the alternative dispute resolution mechanism.

"To take the commercial dispute into lengthy court proceedings, there is no denying the fact, the commercial activities in many cases come to a halt and ultimately die down due to lapse of time, say years and decades, that resulted in a discouraging situation," he said.

Mollah said legislation and judicial precedents together could
