SAVE THE CHILDREN USA VACANCIES IN EDUCATION
Save the Children (USA) and FIVDB will launch a new education project- "Dirha Suchana" and wish to recruit a number of experienced staff. The focus of the project is on innovations and learning in Early Years education and successful transitions into Primary School. All staff will be recruited for two years and will be based at the project office in Sylhet, with frequent visits to field sites at upazila and union level.
In line with Save the Children's commitment to gender equity, suitably qualified female candidates are strongly urged to apply.
Project Manager
Responsible for day-to-day operations of the project, the Dirha Suchana Project Manager (PM) will head the project office and supervise directly its staff (operations officer, M&E and documentation officer, and finance and administration officer) and 3 Area Managers (AMs). The PM will play a key role in developing, finalizing and operationalizing annual work plans and preparing reports. The PM will participate on the project advisory team and provide operational leadership to the project. The PM will lead District and upazila levels coordination and participate and contribute fully in national level advocacy and influencing activities. The work would require extensive field visits in remote areas.
Successful candidates must have:
* Proven track record of progressively senior project management (district level).
* At least 5 years experience at management level in an education program and all together 15 years experience in program operation.
* Thorough knowledge of both formal and non-formal education in Bangladesh.
* Proven ability in logistics, communication, and personnel deployment.
* Excellent interpersonal communication skills, and the ability to communicate well in both written and spoken English and Bangla.
* Experience in Action Research, Training and Community Mobilization an advantage.
* Ability to work well under pressure and produce timely results,
Gross salary in range Taka 40,000 - 45,000 plus other benefits.
Operations Officer
The Operations Officer (OO) will assist PM in day-to-day operations in the Field programs. The OO will be visiting field sites, supervising and monitoring progress and coordinating various program components at the field level. S/he will assist PM in finalizing and operationalizing work plans, establishing and maintaining liaison with upazila level officials, and solving troubles at field level. S/he would also support field logistics and supplies management. S/he will be the link between Area Manager and the PM. S/he should have at least 8 years experience in education program operation.
Gross Salary Taka 25,000 plus other benefits.
Monitoring and Research Officer
The Monitoring and Research Officer (MRO) will take the lead on all project functions relating to monitoring and research. S/he should be able to design, implement and provide oversight to qualitative and quantitative data collection methodologies for education programs. The MRO will work with all project staff to ensure that research activities within the project are completed within time frame and that all processes and outcomes are effectively documented for program learning and dissemination. Candidates should have experience as principal investigator (or co-principal investigator) in action research, preferably in education. S/he should have ability to generate regular project reports independently and within strict time frame. Advanced computer skills and excellent writing skills in Bangla and English are required. S/he should have at least 8 years experience in education program monitoring and research.
Gross Salary Taka 25,000 plus other benefits.
Finance and Administration Officer
The Finance and Administration Officer (FAO) will be responsible for managing the finance and accounting functions of the project office and the 3 area offices along with the day-to-day administrative work. S/he must have familiarity with computerized accounting software and at least 5 years post-graduation experiences in donor-funded projects. The FAO must be able to independently produce financial statements according to rigorous standards. S/he should have at least 8 years experience in education program monitoring and finance and administration, preferable for donor-funder development projects.
Gross Salary Taka 25,000 plus other benefits.
Please send CV and cover letter clearly mentioning position applied for to the Head, Finance and Administration, Save the Children (USA), House No. 35A, Road No. JA, Dhanmondi R/A, Dhaka-1209 by 25 August 2002.
