## Muslehuddin's killers won't be spared:PM

**UNB, Dhaka**

Prime Minister Khaleda Zia yesterday assured the family members of Peer Muslehuddin Ahmed Abu Bakar that his killers, whoever may be, would not be spared.

Vice-President of Islamic Oikya Jote, a partner of the BNP-led coalition government, Peer Muslehuddin was stabbed to death near Shonir Akhra on August 6.

The Prime Minister's assurance came when three sons of Peer Muslehuddin—Abdullah Mohammad Hassan, Abdullah Mohammad Hossain and Abdullah Mohammad Mohsin -- called on her at the PM's office in the afternoon.

She also assured them of all possible assistance for running the three madrassahs set up by the Peer at Bahadurpur in Shariatpur district.

The PM also expressed her desire to visit the madrassahs when she would be visiting the area in future.

She also enquired about the wellbeing of other members of the bereaved family.

Prime Minister's Political Secretary Masaddek Ali was also present during the meeting.

## Development of telecom sector Pvt operators to have level playing field

**STAFF CORRESPONDENT**

The government will ensure a level playing field for private operators for the development of the telecommunication sector.

This was stated by Posts and Telecommunications Minister Barrister Aminul Hoque at a seminar in the city yesterday.

He said the government wants a healthy and competitive environment in telecom sector and with that view has introduced the telecom watchdog-- Bangladesh Telecommunication Regulatory Commission (BTRC).

"There will be no syndicate and difference between private and public operators," the minister said adding that stern punitive measures will be taken if anybody found doing so.

The seminar titled "Telecommunication and ICT for everyday realities and opportunities" was organised by recently formed Bangladesh T & T Board Retired Officers' Welfare Association (ROWATEL).

Held at the Institutions of Engineers, Bangladesh (IEB) with Kazi Abur Rob, president of the association in the chair, the seminar was addressed by Mohammad Sabur Khan, president of Bangladesh Computer Society (BCS) and Md. Enamul Huq, vice-chairman of ROWATEL.

"As telecommunication and ICT are essential tools for the development of a country, we need to achieve excellence in these sectors to face the challenges of the present day world," said the minister.

He said the country has huge unemployed youths. To get out of unemployment problem, they could be developed into IT expert.

The minister said the government is trying to do its best for the development of telecom and ICT sectors despite the country's limited resources.

Elaborating various development activities of the government, he said the country for the first time is going to have the submarine cable connection to link it with global information super highway.

He said projects are under implementation to introduce digital telephones all over the country by the end of December this year.

"We have already introduced digital telephone in 45 out of a total 64 administrative districts," he added.

The minister said the world has become a global village following the tremendous development in ICT sector.

BTRC Chairman Syed Marghub Morshed underscored the need for linking ICT and telecommunication sectors as there is already a digital divide between the people living in towns and rural areas.

"We need to expand telecommunication facilities all over the country to eliminate the digital divide," he added.

The BTRC chairman said his organisation is trying to ensure a level playing field among the public and private mobile operators.

"We are not the regulator, rather, the market is the real regulator," he said adding that the country would have to face the challenges of digital divide.

Telecom Secretary Mohammad Omar Farooq said a tremendous development has been made during the last eight months.

He said the government has introduced the BTRC for ensuring healthy competition.

BTTB has been allowed for introducing mobile telephone service while the government is working to bring private operator in the fixed line telephone, he added.

## Installation of Star Press Sramik Union held

**STAFF CORRESPONDENT**

The installation ceremony of the newly elected office-bearers of The Daily Star Press Sramik Karmachari Union was held at the daily's office in the city yesterday.

Acting Editor and Managing Editor of The Daily Star Syed Fahim Munaim attended the ceremony as chief guest and outgoing president of the union Abul Hashem presided.

President of the Bangladesh Sangbadpatri Press Sramik Federation Alhaj Mosharrar Hossain was present as special guest.

Shah Hossain Imam, Abdul Jalil Bhuyian, Mir Ashfaquzzaman, Golam Sarwar Azad, Wares Ali, Asadullah, Abdul Karim, Ilyas Ali and Nazrul Islam addressed the function. MA Mannan, newly elected president of the union, gave address of welcome. Munirul Islam Bhuiyan and Rokeya Begum conducted the ceremony.

The speakers stressed the need for better relations between the workers and management for healthy growth of the newspaper industry. The federation leaders lauded the cordial relations between the employees and the management of The Daily Star for the growth of the paper.

Senior vice-president of the Federation Fazle Imam administered the oath to the members of the executive committee at the ceremony.

MA Mannan and Zakir Hossain Mollah were elected president and general secretary of the union on August 3.

The installation ceremony of The Daily Star Press Sramik Karmachari Union was held at the daily's office in the city yesterday.
