Save the Children (USA)
Vacancy for Senior Positions
In Health Population and Nutrition Sector
Save the Children (USA) invites application for two senior positions in Health, Population and
Nutrition Sector. The positions are outlined below and both the positions will be based in Dhaka.
The Saving Newborn Lives (SNL) is a major initiative of Save the Children (USA) in Bangladesh and
working with MOHFW, NGOs, Professional bodies, research institutions and communities. This is a
part of larger global efforts for a period of initial 5-years. The Program candidates must have
knowledge and experience in senior positions, and also have excellent written and oral skills in
Bangla and English and good facilitation and team spirit.
1. Program Manager
Program Manager (PM) will be overall responsible for providing strategic direction, and technical
and managerial leadership. S/he will be expected to be a visible spokesperson on issues related to
newborn care to continue and strengthen efforts to establish newborn health as a national priority,
and to be the pivotal link between key stakeholders who are engaged with the on going SNL work
including GOB, NGO partners, research organizations, academic institutions and professional
bodies. This position will report to Head of HPN.
Candidates should have :
- Master's degree in Public Health/Social Sciences preferably with a background of medical
science
- Minimum of 12 years experience in Child Survival/Safe Motherhood/Reproductive health
programs
- At least 5 years of experiences in a senior management position
- Experience of strategic partnerships with GOB, national and international NGOs
- Demonstrated team building, networking and representational skills
- Thorough understanding of emerging global and national issues in newborn health
- Experiences in team management and advocacy
- Research experience in relevant field an advantage
- Professional networking relationship with development partners and government
2. Training Officer
Training Officer is one of the senior position in SNL. This position will require strategically to work in
partnership with MOHFW, NGOs, Professional bodies, Research Institutions and SC's HPN
partners. Overall responsibility is to plan, coordinate, develop and monitoring of training programs
with partners.
Candidates should have:
- MBBS/Master's degree in Public Health/Social Sciences preferably with a background of
medical science
- At least 5 - 7 years of working experience in the public programs or NGO health
programs/training organization preferably in Health and Family Planning. Familiar with
national, government or non-government training programs in health and family planning
- Proven track record on training curriculum design both in English and Bangla
- Strong and demonstrated capacity in planning, implementation, monitoring and evaluation
training programs
- Experiences in training safe motherhood/child survival programs, including field
experience
- Flexible attitude and interest on Newborn Health
- Willing to spend 40-50% of time with partners in the field
- Excellent facilitation and negotiation skills
- Professional networking with development partners and government
Please send CV and cover letter clearly mentioning position applied for to S. A. Ahad, Head,
Finance and Administration, Save the Children (USA), House # 35A, Road # 9A,
Dhanmondi R/A, Dhaka by 31 August 2002.
Save the Children is strongly committed to principles of gender equity and
encourages qualified female candidates to apply.
