Five of a family from Chandpur, with congenital blindness have been blessed with partial eyesight when Dr Kazi Sabbir Anwar, a specialist of micro-surgery and squints, operated on them Wednesday at the Islamia Eye Hospital in the city. Dr Sabbir said the children will undergo further visual stimulation examinations. As their retina was not in use since birth, it will take some time before they get their full eyesight. A UK-based NGO provided all support for the operations.

Myanmar supports Dhaka-Yangon road

BSS, Dhaka

The Myanmar government supports direct road communications between Dhaka and Yangon through Teknaf-Sitwe border points to help improve economic and trade relations between Bangladesh and Myanmar.

"This highway will also greatly help towards further developing the bilateral relations as well as establishing link with the South Asian and South East Asian countries," Communications Minister Nazmul Huda said this while he was talking to newsmen at the airport after his return from an official visit to Myanmar and Thailand.

During his separate meetings with several ministers of the Myanmar government in Yangon, they supported his proposal for 'Bangladesh-Myanmar Friendship Highway' or 'Bangladesh-Myanmar Friendship Bridge,' he said.

He held meetings with Secretary-1 of the State Peace and Development Council Lt. Gen Khin Nyunt, Foreign Minister U Aung Win, Minister for Economic Development and National Planning U Soe Tha, Construction Minister Major General Saw Tun and Commerce Minister Brigadier General Pyi Sone.

"When I placed my proposal before them in support of in-

creased bilateral relations for mutual benefit in trade and commerce between the two countries, Lt Gen Khin Nyunt and other ministers welcomed it," he said.

Coordinator Wanted for Adolescent Reproductive Health BCC Program

Bangladesh Center for Communication Programs (BCCP) is looking for a dynamic person willing to work with challenges and under pressure having following related qualification and experience:

The candidate should have a post graduate degree with Social Science preferably Anthropology or Psychology. Masters in any other discipline having strong background in health communication may also apply. Six to ten years working experience related to behavior change communication (BCC) and adolescent reproductive health issue with profound knowledge about working with modern video recording and editing equipment is required. Qualification may be relaxed in case of highly exceptional candidates.

This is a senior level position and it carries a good remuneration package. So the incumbent is expected to be able to:

- Organize and manage all elements of the production process, including identification of and liaison with workshop sites and arrangements for workshops, coordination of production team, adolescent specialist, facilitator, dramatist, adolescent and adult actor talent.
- Coordinate production team for taping of all other sequences involved and arrangement with an animation house for production of animated sequences.
- Coordinate all post-production work, including pretesting and vetting by relevant authorities including the working group, and ensuring final editing meets production schedule.
- Manage the process producing an attractive package of materials for post-broadcast distribution: video, print materials (4 compendia) users' guide (audio tapes of radio series) and draw up a marketing and dissemination plan for same.

Application along with an updated CV, a recent passport size photograph and names of three professional references should be sent to the Administrative Manager, BCCP, House # 3A, Road # 74, Gulshan- 2, Dhaka- 1212 by September 9, 2002.

Females are especially encouraged to apply.
