State Minister for Energy AKM Mosharrar Hossain (2nd from right), Prof Rehman Sobhan (3rd from right) and Saber Hossain Chowdhury (3rd from left) are among the speakers. (Story on page 1)

'17000 MTS of garbage produced a yr'
 UNB, Dhaka
 Setting up of plants for recycling the country's garbage can generate employment opportunities for some 90,000 people apart from meeting 27 per cent demand of organic fertiliser.
 "Some 17,000 mts of garbage is produced in the country each year of which 70 per cent is organic and the rest 30 per cent non-organic," said AHM Maqsood Sinha, executive director of 'Waste Concern', said at a press conference in the city yesterday.
 Dhaka City Corporation spends Tk 30 crore on average each year for dumping garbage of the capital as nearly 11 million city dwellers produce around 3,500 tons of solid waste everyday, he said adding that 80 per cent of the garbage is organic and suitable for composting.
 DCC dumps the waste at Matuail where a 25-hectare land has been set aside for dumping of garbage. "But this land will be filled up within a year. So, dumping cannot be a solution," Sinha said.
 Sinha said DCC could earn huge revenue by recycling the waste and meet 80 per cent of its waste management cost from it.

Support for University Fisheries Education and Research (SUFER)
Call for Concept Notes
 SUFER is now issuing a Call for Concept Notes for research themes related to key aspects of aquaculture and/or fisheries (see below) that will have as its objective(s) the sustainable improvement of the livelihoods of poor people. Competent and qualified organisations (Government, Non-government or private sector) are encouraged to submit Concept Notes.
 SUFER is enhancing the capability of national universities to deliver appropriate, and poverty sensitive support to the fisheries sector. It is funded by the UK Department for International Development and managed by the University Grants Commission. The main goal of the Project is to sustainably improve aquatic resources management in Bangladesh. In line with SUFER's commitment to promote sectoral participation in university research all proposals must demonstrate a partnership with either an individual or Department associated with a fisheries related discipline in the public universities of Chittagong, Dhaka, Khulna, Mymensingh or Rajshahi. The basic award value is Tk.570,000 though additional financial support may be available for specialist training and uptake delivery.
 The Project supports research that has been chosen on a competitive basis. Concept Notes are invited for research on any of the following themes: a) Aquaculture, b) Fisheries management, c) Aquatic environment and biodiversity conservation, d) Alternative livelihood strategies for fishing communities. Issues of poverty reduction, gender and access to necessary resources by the target beneficiaries should be addressed. Detailed clarification is available on request. The applying organisation must clearly demonstrate its capability to disseminate research findings and that these will be utilised by a significant number of beneficiaries.
 Any Non-government organisation making a submission must have a track record of commitment to aquaculture or fisheries development for resource-poor households. Organisations with long experience, adequate qualified professional and reputation in relevant areas of research interest will get priority.
Closing date for submissions is 30 November 2002
 Specific details and Concept Note template may be obtained by contacting: SUFER Project, University Grants Commission of Bangladesh, 4th Floor, Agargaon, Dhaka-1207
 Tel: 02 8124308-9, Fax: 02 8124309, E-mail: zaman@ugc.org

Vacancy Announcement
 The Interagency Coordination Committee (ICC) for EPI and the Global Alliance for Vaccines and Immunization (GAVI) is seeking applications from Bangladeshi Nationals to support strengthening of all aspects of the Expanded Programme on Immunization (EPI) as:
District Immunization Medical Officer
Nature of Assignment:
 The successful candidate will work under the direct supervision of the PM, Child Health and Limited Curative Care, and DPM-EPI in a 2-year assignment to provide field-based support to EPI in the lowest performing districts, Municipalities and City Corporations in Bangladesh. While assigned to the office of the Civil Surgeon and /or Chief Health Officer, the incumbent will work closely with many Government and other counterparts (Multilateral and Bilateral Development Partners, NGOs, and others) at different levels. Responsibilities will include all activities related to ensuring high quality and high vaccination coverage. The incumbent will agree to assignment anywhere in Bangladesh, to reside in the district to which he/she is assigned, and undertake extensive travel to conduct field visits within that district 4 - 5 days per week. Expected salary pending approval of the ICC will be approximately 45,000/- per month plus other facilities as per rules. Government candidates should apply through proper channel.
Minimum Requirements:
 The ideal candidate will have:
 1. MBBS Degree or B.Sc. in Nursing;
 2. At least two years experience working in public health;
 3. At least one year experience working in EPI;
 4. Applicants who are not physicians or nurses but have an MPH Degree will be considered if they also have at least 5 years working experience in EPI
 5. Working knowledge of Microsoft Word, Excel, Power point and a database application, preferably EPI-INFO
 6. Experience as a trainer and fluency in English will be an asset
 Applications with bio-data and photograph should be submitted to the **Office of the Program Manager, Child Health & Limited Curative Care, EPI Bhaban, Mohakhali, Dhaka, 1212** by **November 10, 2002**. Please write on the envelope "DIMO Application". Incomplete applications and applications received after November 10 will not be considered. Any form of canvassing and influencing will be treated as disqualification. Only short-listed candidates will be called for written and computer examination and interview. TA/DA will not be provided for examinations or interviews.
Applications from qualified female candidates are encouraged.
