Shin Sakurai meets Samad Azad, Zillur

UNB, Dhaka

Visiting Japanese Prime Minister's special envoy Shin Sakurai, leading a seven-member delegation, met Awami League acting president Abus Samad Azad and general secretary Zillur Rahman at Sudha Sadan yesterday.

Sakurai regretted that they could not meet former prime minister and Leader of the Opposition in Parliament Sheikh Hasina as she is now on a two-week tour of the UK and the USA.

He mentioned about the tested friendship between Japan and Bangladesh, and the month-long celebration programme marking the 30th anniversary of their relationship.

The special envoy spoke about economic and bilateral relations between the two countries, and hoped that the ties would be consolidated further in the days to come.

The Awami League leaders recalled the support of Japanese government during the liberation war and Bangabandhu's visit to Japan in 1973.

They also mentioned about the visit of former prime minister Sheikh Hasina to Japan which, they said, helped Bangladesh to strengthen its ties with Japan.

Azad and Zillur told the envoy that Awami League is a secular party which established democratic rule in the country and institutionalised democracy.

During its 1996-2001 rule, the Awami League government took a number of steps for strengthening economy and boosting the country's food production, they said.

SUST classes resume Nov 17

BSS, Sylhet

The classes of Sylhet University of Science and Technology (SUST) will resume on November 17, official sources said yesterday.

The decision in this regard was taken in an emergency meeting of the Academic Council of the university with Vice-Chancellor Prof M Shafiqur Rahman in the chair.

The University, however, reopened yesterday after the Durga Puja vacation. The examinations of different departments are also going on as per schedule, the official sources added.
