# Allow more private radio, TV channels

BSS, Dhaka

Speakers at a roundtable yesterday underscored the need for more private radio and terrestrial television channels instead of providing autonomy to Bangladesh Betar and Bangladesh Television (BTV).

They urged the government to arrange double-way transmission of the electronic media by introducing terrestrial broadcasting of government and private channels to face one-sided propaganda and "information terrorism" against the country.

The Ministry of Information organised the roundtable on "Evaluation of past activities for flourishing democracy and free flow of information and future course of action" at PIB (Press Institute of Bangladesh) auditorium marking one year of the government in office.

The speakers said experiences of the autonomous organisations in the country are not very encouraging and it is not wise to expect that programmes of Betar and BTV would be improved overnight if the state-run electronic media are given autonomy.

They said in the name of free flow of information we have opened our sky for foreign media but our entry to their sky remains closed. This type of one-way flow of information is largely responsible for the one-sided propaganda against the country abroad, they observed.

Information Minister Tariqul Islam attended the roundtable as chief guest.

The discussants included Editor of the Weekly Holiday AZM Faryatullah Khan, noted academic Prof Mahabubullah, Editor of the News Today Rezauddin Ahmed, publisher of the Infaq Anwar Hossain Manjo, Chief Editor and Managing Director of Bangladesh Sangstha (BSS) Amanullah Kabir, Editor of the Aker Kagej Kazi Shahed Ahmed, Editor of the Bangladesh Observer Iqbal Sobhan Chowdhury, Editor of the Financial Express Moazzem Hossain, columnist Sadeq Khan, Vice-Chancellor of Jahangirnagar University Prof Jasim Uddin, Dr Jafrullah, Mizanur Rahman Shelly, Managing Editor of BSS Moulakkarul Anam, Managing Director of Film Development Corporation (FDC) Wasimul Bari Razib and acting information secretary Nazmul Alam Siddiqui.

Four keynote papers outlining the present activities and future plans and projects of Bangladesh Betar, BTV and Mass Communications Department were presented by Director General of Betar Shaiful Amin Ferdousi, DG of BTV Mostafizur Rahman, DG of Mass Communications Department Jftekar Hossain and DG of PIB Dr Rezwan Hossain Siddiqui.

Underscoring the need for improvement of different programmes and dissemination of news by the state-run media, they said newspapers in the country were enjoying full freedom of expression. So, they asked, why people of the country would be deprived of getting adequate and
