Tagore's timeless lines embedded with short epigrammatic lines and subtle shifts in mood are sometimes firmly articulated, sometimes thrown into air, and sometimes softly spoken by the actress. It is easily perceived as to how much effort is there behind such easy and free acting. The same could be said about each of the actors on stage. It appeared as if they have nursed the characters inside their hearts and dipped them in their spirit. A unification with Tagore's spirit; this is what could be safely said about the actors and actresses on stage.

Khaled Khan played Bisu. This character remarkably resembles Shakespeare's Jaques, the brooding loner of the comedy As You

Jaques sees from a distance and he is someone who prefers a life in exile, as society and order seems unbearable. the non-conformist abandons it. Bisu, on the other hand, goes against society of Jakhyapuri and that is why is executed. He announces that he does not want to be a part of the prevailing order, his non-conformity makes him an easy prey, but Bisu makes Nandini accept the challenge, and that divides the people of Jakhyapuri into two groups. And the raja, as he looses the last hope to be a normal agent of life, joins the fight to save the oppressed. Khaled Khan's mature way of getting very close to the audience has proved to be a very important tool for the play's success. It seemed to many that there are many Bisu's sitting by the next seat, every tinge of sarcasm that was made by him, every bit of gesticulation that was acted out by Khaled thrilled the spectators. The audience savored the moments of his presence on stage. The auditorium of Mohila Shomiti seemed exhausted as people flooded to see Raktakarabi. in many ways Nagorik's production of the play may be considered a success story.
