Army evicts slum dwellers in Ctg

STAFF CORRESPONDENT, Ctg
The demolition drive has sparked resentment among those who have been evicted from the private land.
Also, the annual examination of about 400 students has become uncertain due to demolition of MP Sirajul Islam Primary School.
A high official of the army, however, said that they conducted the eviction drive on the private land as it is within the boundary of Chittagong cantonment. But despite several attempts, the land could not be recovered earlier for various complexities, he added.
On the other hand, local people claimed that the land once belonged to two non-Bengali army officers - Major Momtaj Sayed and Major Beg. After the Liberation War, the land became a vested property and some local people took up a one year lease on the land and built houses there in 1973, they said.
The leaseholders regularly paid the annual fees, they said. The primary school was used as a polling centre before it was turned into a school in 1988.

Eid mela begins in Chittagong

STAFF CORRESPONDENT, Ctg
A month long "Eid Mela" of Chittagong Women Entrepreneurs began at Bangladesh Women Association (BWA) School ground in the city on Sunday.
Commerce Minister Amir Khosru Mahmud Chowdhury underscored the need for qualitative improvement of the products by the women entrepreneurs. He said this while he was inaugurating the fair.
The minister assured the women entrepreneurs of financial and technical assistance from the government.
Neither economic emancipation nor long term development of the country was possible without development of the women folk that comprises half of its population, in all fields, he said.
To build up an educated and self-reliant new generation, freedom of the women folk was a must, the minister added.
Presided over by the association president Monowara Hakim Ali, the inaugural ceremony was also addressed by its vice-president Khaleda Awal.
The fair will remain open for all from 5:00 pm everyday.
Different products of women entrepreneurs were put on display in eighty stalls of the fair on the first day.
