Three to vie for chairmanship in Magura municipality polls

HOSSAIN SERAJ, Magura

Hectic campaign for Magura Municipality election is going on in full swing. The election will be held on January 18.
Three candidates will contest for the pest of chairman.
They are: Khan Monwar Hossain (BNP led 4-party alliance), Abdul Gafur (Awami League) and Iqbal Akhter Khan Kafur (Independent).
Most of the candidates are now moving from door to door with their election pledges. The voters are seen gossiping in public places on various issues. In tea-stalls and market places debates on election related matters are going on.
After about nine years, election is going to be held here much to the happiness to the voters.
The last municipality election there was held on January 30, 1993.
In 1995 the class three municipality was upgraded into first class one then the necessity of area extension became essential. About

Monwar

Gafur

Iqbal

5.5 square kilometre areas of the adjoining union councils named Kasundi, Chowlia, Atharokhonda Jagdal and Moghi of Magura Sadar upazila were included in the newly formed first class municipality.
But the chairmen of the aforementioned union councils jointly filed a case with the High Court protesting the decision of area extension. As the case was pending with the court election of the municipality could not be held on scheduled date on January 30, 1998.
But after about 9 years the Election Commission declared the election date of the municipality in the first week of last month.
Seven candidates of different political parties including an independent candidate submitted nomination papers for the post of chairman while 81 persons filed nominations for the post of nine ward commissioners while 17 candidates filed nominations for the three reserved seats for women.
Later the number of candidate, for the post of chairman stood at three.

27,87,000 tons of sugarcane may be crushed in 15 mills

BSS, Joypurhat

The government has fixed a target of sugar production at 2,23,500 tons in 15 sugar mills of the country in the current season.
Under the programme, 27,87,000 tons of sugarcane are expected to be crushed in these mills, official sources said.
Farmers expect a good harvest of sugarcane and the production target is likely to be achieved. But the quantity of sugar being smuggled into the country from India per year is much higher than the local production target, it was learnt.
Sugarcane farmers and experts urged the government to modernise or privatise the sugar mills to avoid huge loss during crushing.
According to sources, a total of 18,600 tons of sugar will be produced by crushing 2,40,000 tons of sugarcane in Joypurhat Sugar Mills, 9,900 tons of sugar from 1,20,000 tons of sugarcane in Shyampur Sugar Mills, 13,050 tons of sugar

from 1,45,000 tons of sugarcane in Rangpur Sugar Mills, 11,200 tons of sugar from 1,40,000 tons of sugarcane in Setabganj Sugar Mills, 14,400 tons of sugar from 1,80,000 tons of sugarcane in Thakurgaon Sugar Mills, 13,200 tons of sugar from 1,50,000 tons of sugarcane in Panchagarh Sugar Mills, 18,980 tons of sugar from 2,60,000 tons of sugarcane in Rajshahi Sugar Mills, 20,000 tons of sugar from 2,50,000 tons of sugarcane in Natore Sugar Mills, 19,845 tons of sugar from 2,70,000 tons of sugarcane in Uttarbanga Sugar Mills, 9,688 tons of sugar from 1,25,000 tons of sugarcane in Pabna Sugar Mills, 13,680 tons of sugar from 1,80,000 tons of sugarcane in Kushtia Sugar Mills, 17,000 tons of sugar from 2,00,000 tons of sugarcane in Darshana Keru Company Sugar Mills, 18,240 tons of sugar from 2,40,000 tons of sugarcane in Mobarakganj Sugar Mills, 13,200 tons of sugar from 1,60,000 tons of sugarcane in Faridpur Sugar Mills

and 10,537 tons of sugar will be produced through crushing 1,27,000 tons of sugarcane in Zilbangla Sugar Mills.
