

Children take part in a procession in the city yesterday marking the World Population Day.

'One fourth of world population consume 80 pc resources'

STAFF CORRESPONDENT
Developed countries with less than one fourth of world population consume 80 per cent of the world resources, said Dr. Ahmad Neaz, an expert on population policy.

and Oceania regions will constitute 77 per cent of the world population by 2020.
Prof. AKM Nur-un-Nabi said, "We neither can control population development dynamics nor can remove development stagnancy without addressing the women empowerment issue."

Body recovered

STAFF CORRESPONDENT
Mirpur police recovered the body of a young man hanging from a ceiling fan inside a hotel room on Thursday night.

Fresh road-digging at Motijheel bears testimony to the lack of coordination among different government agencies. The drainage department of WASA has dug up a part of the road at Motijheel although it has been repaired recently.
