Visions of the pioneer satellite channel

Saiful Bari (Chief Advisor) and Nawazish Ali Khan (Director of Programmes) express their views, self-assessment and self-criticism, ideas and future planning about ATN Bangla in an interview with Harun ur Rashid and Kausar Islam Ayon of The Daily Star

THE Daily Star: ATN Bangla is another name among the country's television viewers with satellite cable connection...

Saiful Bari

do you think are its features that give it the acceptance?

NAK: Both the concept and content of the programme contribute to its richness. People, especially those from the middle class have lots of queries regarding religion and also about the religious pertinence of many day-to-day activities.

TDS: Why do you air Bangla films that are very often full of obscenity and violence?

SB: One must admit that the primary objective of any private concern is to return the investment. ATN Bangla too is no exception. Since Bangla films attract a lot of Ads and promotional, we cannot help but showing them.

NAK: Also you must agree that Bangla films have a large audience. Just think of the low-earning people who don't have many options for entertainment. Bangla films are the only source of recreation for them. Above all, we always try to maintain the minimum decency.

TDS: Tell us about your news bulletins - what policy do you follow in news making?

SB: We are always conscious about the national interest and safety. TDS: How many news bulletins and other similar items are aired on ATN Bangla at present?

SB: Amongst the regular ones, are the hourly bulletins, Graameyganjey at 5pm, and three peak-hour bulletins at 7pm, 10pm and

Nawazish Ali Khan

11 pm. Also there is the Breakfast News at 8 am. In fact, we have been the first in the country to air the first news bulletin of each day. And the audience must have noticed that the news is not the repetition of the previous night's news.

TDS: What is the situation regarding Ads and commercials?

SB: The condition is frustrating. Around 60% of the Ads directly go to BTv. The private channels are struggling hard to capture the rest of the market.

NAK: Another point may be added in this context. It is because of this financial crisis that the channel used to show low quality commercials. But we are aware of the regulations about running a private channel. For example, some commercials are permitted to be aired after a certain time of a day.

TDS: Do you have any policy as regards reaching audience who don't have access to the channel?

SB: As an individual channel we do not have any such policy or plan. But personally I believe that there should be a corporation comprising all the private channels. Only then will it be possible to do something in this field. Otherwise, no private channel can do anything alone.

TDS: What are your future plans about the over-all development of ATN Bangla?

NAK: We are soon coming up with a number of new productions celebrating our 6th anniversary. You have already heard about the training and workshops for the improvement of the crew. We are also recruiting more efficient people. Having said all these, we may assure once again that we are going to wear a new look very soon.

The smartly turned out ATN crew celebrating the 6th Anniversary of the Channel.

TODAY'S HIGHLIGHTS

STAR MOVIES: 7:00 pm. Out Cold. Bull Mountain, Alaska, is a no frills ski resort, and the staff is a bunch of partying snowboard bums. The late founder, Papa Muntz, was famed for skiing with his backside exposed, and in fact is so memorialized by a statue. But his son, Ted, plans to sell the resort to hotshot ski mogul John Majors, who starts turning it into a slick resort, which of course has no room for most of the staff. The exception is Rick, the most serious of the bunch. But there's a complication: Rick met Majors' step-daughter Anna on vacation in Mexico.

MGM: 9:30 pm. Incognito.

Harry Donovan is an art forger who paints fake Rembrandt pictures for \$500,000. The girl he meets and gets into bed with in Paris, Marieke, turns out to be an arts expert. Harry's clients are using to check the counterfeit picture he painted.
