## Professor Hosne-Ara Begum obtained Ph.D degree

Professor Hosne-Ara Begum obtained the Ph.D degree from the Washington International University, USA in Business Administration on the Thesis, "Role of TMSS (NGO) for contribution on Gender Equity/Equality in Rural Structure of Bangladesh" with kind accord of the Government of the Peoples' Republic of Bangladesh.

**Professor Hosne-Ara Begum,** during her teaching life, established the Thengamara Mohila Sabuj Sangha (TMSS) to change the ill fate of the deprived rural women. By this time the Organization has been recognized as the largest women NGO by the Government of People's Republic of Bangladesh. Professor Alhaz Ansar Ali Talukder, husband of Professor Hosne-Ara Begum is an eminent scholar and now the Head of the Department of Botany, Bogra Azizul Hoque University College, side by side is associated with so many educational institutions and public well fare. Their only son TM Ali Haider is now in London, UK for higher study. Her mother Jobeda Begum is in old stage and her only brother Maulana Abdur Rahman, (Peer Shaheb) has been working for the Holly Islam and social upliftment in the locality.

I delightedly congratulate Professor Hosne-Ara Begum and her family for obtaining such an honorable and rare Ph.D degree. I also thank all well wishers, patrons, organizations for extending their cordial co-operation in this regard and anticipating all success of TMSS.

Ms. Mahmuda Begum  
Chairperson  
TMSS-Bogra.

## EMPLOYMENT OPPORTUNITY

A Component of DFID's Support for HSF

BPHC was established in 1988 as an project of the UK Government's Department for International Development (DFID). Primarily working in the health sector, BPHC's work has addressed broad issues of social mobilisation, community empowerment, institutional development and resource mobilisation to support improvement of local services.

We are recruiting a dynamic team of professionals to lead the development of the emerging business portfolio of its new company, Partners in Health and Development (PHD). The development of the new company is a natural evolution for the organisation, harnessing the experience and expertise gained over 14 years of managing contracts and capacity building technical assistance to support NGOs delivering health services to poor people in Bangladesh.

## BUSINESS DEVELOPMENT MANAGER

We are recruiting an experienced and committed individual with considerable private sector experience and evidence of working with or for Government, Non-Government Organisations and international donors.

This is an ideal opportunity for a senior business professional to apply their skills in an emerging market. Candidates must relish the challenge of setting up and managing this new business venture, combining the need for robust business skills, underpinned by strong ethical values. The successful candidate will be formally contracted until April 2005 to lead BPHC through the transition period and it is expected that he/she would become the Chief Executive of the new company following its successful launch.

Applicants are expected to be educated to Masters/Professional degree level.  
Salary negotiable (expected to be in the region of 80,000 pcp with benefits)

## BUSINESS DEVELOPMENT OFFICERS : Positions 3

We are recruiting a team of three Business Development Officers bringing a range of skills and experiences. Expected to bring experience of health service delivery and the NGO sector, successful candidates will form a dynamic team which will actively seek and secure new business opportunities. Working closely the rest of BPHC, the team will promote the work of PHD taking the lead on preparing technical and financial proposals; developing and enhancing PHD's expertise in NGO contracting; and, delivering the PHD business plan.

Applicants are expected to be educated to at least degree level.

Salary negotiable (expected to be in region of 30,000-40,000 pcp with benefits)

For further information and an application form, please contact:

BPHC, House # 27/1, Road # 13A (New), Dhanmondi R/A, Dhaka, Tel : 9135180-81  
Or

by e-mail: [bphc@citechco.net](mailto:bphc@citechco.net) (Subject line: Application).

Closing date for receipt of applications is 11-January-2004.

Only shortlisted candidates will be contacted for interview and no other correspondence will be entered into.
