Let's you be more productive in less time and space. At an equally compact price.

The HP Compaq Business Desktop d530 Integrated Work Center saves you space, time and money. Featuring a unique design that integrates the display module and the HP Compaq Business Desktop d530 powered by the Intel® Pentium® 4 processor into a single unit, this HP Integrated Work Center optimizes space in an already space-starved area, like your desk. It locks the processor chassis firmly in a cradle behind the display, and routes all wires cleanly out of sight. Making it 75% smaller than the average desktop PC. Do more at once in less time and space, with HP.

HP recommends Microsoft® Windows® XP Professional for Business
