## AL rejects govt move to increase JS seats

The opposition Awami League would not accept any constitutional amendment to increase parliament seats to 450 as the government was taking all decisions unilaterally, the AL leaders said at a rally in the city yesterday.

The move to raise seats in the Jatiya Sangsad was designed to divert people's attention from the 15-point demand placed by the AL, they said.

They also rejected the proposal to raise the number of reserved seats for women to 50 without any provision of direct election.

AL General Secretary Abdul Jalil said the 15-point demand was a prelude to the 'oust-government' movement.

If the government does not meet the demands by February 10, a dawn-to-dusk countrywide hartal would be enforced on February 12, he said, adding that a tough action programme would be announced on the day.

Jalil said the move to increase parliament seats was nothing but to ensure election victory by demarcating the constituencies where the AL has majority votes.

Presided over by City AL President Mohammad Hanif, the rally was also addressed by Abdur Razzak, Tofail Ahmed, Mohammad Nasim, Suranit Sengupta and Mofazzal Hossain Chowdhury Maya.
