Bloom with us

Recruitment of Management Trainee

Eastern Bank Limited, one of the leading banks in the private sector is looking for fresh graduates from reputed educational institutions as Management Trainees (Probationary Officers) to groom them as future leaders. If you are highly confident, dynamic, opened eyed, enthusiast, positive, and full of potentials and if you can think outside the box then you are the right person for EBL.

Eastern Bank Limited always promotes your growth and potentials. Working with us means being part of a winning team. We delegate responsibility after grooming you properly and reward flair and success.

Eligibility for application

Candidates must not be over 30 (thirty) years of age on December 31, 2003 and should have any of the following academic qualifications:

MBA or BBA (Accounting, Finance & Banking, Marketing and Management) including those currently doing their internship from any reputed University with at least 3.00 CGPA on a 4 point scale or equivalent.

B.Sc. Engineering (Civil/Electrical/Mechanical) with at least 3.00 CGPA or **Masters Degree** in any of the following disciplines:

Economics, International Relations, Public Administration with:

- At least one First Class either in Masters or in Honours/Pass Degree.
- Candidates having Second Class in Masters or in Honours will be considered if they secure minimum 55% marks with First Divisions in S.S.C. and H.S.C. Examinations.
- Candidates having a degree from a reputed foreign university.

Candidates with third division/class in any examination need not apply.

Excellent communication skill with proficiency in spoken & written English and excellent computer skill are prerequisites.

Successful candidates would be on probation for a period of 1 (one) year with monthly consolidated remuneration of Tk 12,000/- (Taka twelve thousand) only. On completion of the probation period, the candidates would be absorbed as Principal Officer with a gross salary of Tk 22,000.00 (Taka twenty two thousand) only per month.

If you think you are eligible for this post please apply in own hand-writing along with a resume and 4 (four) copies of attested passport-size photographs addressed to the **Head of Human Resources**, Eastern Bank Limited, Head Office, Jiban Bima Bhaban (2nd floor), 10, Dilkusha C.A., Dhaka-1000 by **February 15, 2004**.

N.B. Top left-hand-side corner of the envelope should stipulate "Application for Management Trainee".

GROW with us FASTER

We ORION professionals believe in faster career growth in the challenging environment. Orion, a conglomerate of several diversified but unified business concerns involved in manufacturing, marketing, distribution of various hi-tech life saving medicines, consumers goods, industrial products and services, has been enjoying phenomenal growth for the last seven years.

Our vision is to be regarded globally as a quality Business Group through products and services. We offer you an excellent business environment, corporate values and cohesive team dynamics as the opportunity for your faster career growth.

To meet the challenge of the new millennium and accomplish Orion's objectives we are looking for the right persons for the following positions:

1. Manager, Finance

The incumbent will be responsible for ensuring good financial practice, financial reporting, budgeting and cost analysis as well as planning, monitoring and supervising of departmental and assigned project activities. He will also be responsible for technical and financial analysis of different projects, financial modeling and deal with different local or overseas financial institutions and others to organize necessary funds.

Requirements:

- Ability to handle finance & accounts as head of the department or assigned project of the Group independently.
- Fluent in spoken and written English having good interpersonal skill.
- ACA/ACMA and Masters in Accounting with honours from a reputed university.
- At least 5 years managerial and supervisory experience in related field.

2. Manager, Project Evaluation & Fund Management

The incumbent will be responsible for technical and financial analysis and evaluation of different projects. He will also be responsible for project fund management. One of the major responsibilities would be to deal with different local and overseas financial and other institutions to organize and manage necessary funds.

Requirements:

- Ability to handle different projects of the Group independently.
- Well conversant in English to deal foreign consultants/delegates.
- MBA with major in Finance from IBA or NSU.
- B. Sc in Civil Engineering from BUET having MBA with major in Finance (IBA/NSU) will get preference.
- At least 5 years managerial and supervisory experience in project implementation

3. Executive, Accounts/Internal Audit

The incumbent will be responsible for planning, supervising and monitoring the activities of different sections of Finance & Accounts Division including Internal Audit. His/her roles also include costing, budgeting, monitoring accounts receivable/accounts payable, cash flow management and ensuring month-end reporting.

Requirements:

- The persons with a strong financial background who is a passed CA Inter. examination and Masters in Accounting with honours or MBA having major in relevant subject.
- CA Inter exam. may be relaxed in case of MBA with major in Finance (IBA/NSU).
- At least 3 years supervisory experience in relevant field.
- Should have computer literacy and be able to operate computer efficiently.
- Should have sufficient relevant knowledge and ability to deal with various regulatory bodies and institutions i.e. Bank, TAX & VAT Authority, SEC, Joint Stock Company etc.

4. Officer, Internal Audit

The incumbent will be responsible for regular and proper auditing of all financial activities implemented in the Head Office, Sales Depots, Factories and Project Offices.

Requirements:

- The applicant should have completed CA course and Masters in Accounting with honours.
- Person with working experience as an Internal Auditor in reputed organization will get preference.
- Should have Computer literacy and able to prepare financial and audit reports.

5. Programmer

The incumbent will be responsible for operating and maintaining the existing and new software supplied by vendors and also be able to design and develop different software applications independently as per organizational requirements.

Requirements:

- The applicant should be skilled in Software Development with at least 3 years professional experience in reputed companies.
- Should have clear knowledge on Advanced Visual Basic, C/C++ Programming, Developer 2000, Oracle and SQL Server, operating system, networking and database management.
- Should be M. Sc in Computer Science from any reputed university.

6. Hardware Assistant

The incumbent will be responsible for providing technical support services in installation/relocation, trouble shooting, and maintenance in the Head Office, Sales Depots, Factories and Project Offices.

Requirements:

- The applicant should have at least 2 years working experience in managing and maintaining a similar IT environment.
- He/she should have Diploma in Engineering in relevant subject/related certified diploma course.

Interested individuals are requested to apply with resume and one passport size photograph to the following address by 8th February, 2004. Please mention your position on the top of the envelop.
