STAFF CORRESPONDENT

A faction of Naziur Rahman Manjur-led Bangladesh Jatiya Party (BJP), a component of the ruling four-party coalition, is joining former president HM Ershad-led Jatiya Party on April 27.

Learning their move, the BJP expelled four of its presidium members yesterday on charge of keeping clandestine contact with 'anti-organisation quarters.'

The expelled BJP leaders are Sunil Gupta, Mustafa Jamal Haidar, Moinuddin Bhuiyan and Fakir Ashraf. They will formally join the Jatiya Party at its grand conference at Paltan Maidan on April 27.

Four other BJP presidium members are learnt to have held 'final talks' with Ershad to join his party at the conference.

A BJP announcement, however, said yesterday the four leaders had been inactive in respect of party activity for last one year.

The joining of the four with Ershad has been taken as the beginning of the merger of three factions of the Jatiya Party under Ershad's leadership.

## MANPOWER EXPORT

# 20-day deadline to recruiting agents to cut cost

RAFIQ HASAN

The government yesterday gave the recruiting agencies a 20-day ultimatum to cut migration cost of workers to Saudi Arabia or face suspension of their manpower recruiting permission from next month.

The Ministry of Expatriates Welfare and Overseas Employment called on a group of leading recruiting agencies at the ministry and issued the ultimatum.

The migration cost to Saudi Arabia went up abnormally to Tk 1.50 to 1.70 lakh recently mainly because of stiff competition among the recruiters, giving rise to an unofficial visa advice market in the Arabian kingdom.

The government asked the recruiters to bring down the migration cost below Tk 1 lakh. The rate of a visa advice in the unofficial market went up to 5,500-6,000 Saudi riyals (one Saudi riyal is equivalent to around Tk 16). The government

asked the recruiters not to buy advice at more than 3,500 riyals.

State Minister for Expatriates Welfare Mohammad Quamrul Islam addressed the recruiters while Secretary Dalil Uddin Mondal was present. President of Bangladesh Agencies of International Recruiting Agents (Baira) Mosharraf Hossain MP and other leaders of the association also attended the meeting.

The Baira president urged the minister to give them two months' time to cut down on the migration cost, a request the minister turned down on the ground that the recruiters were given enough time in the past, meeting sources said.

The minister also reminded the recruiters of his previous warning and said this time the deadline would not be relaxed as he has come under criticism on several occasions at the cabinet meeting and in parliament on the issue, the sources added.

## SAVE BURIGANGA

# Local political factor fails movement

STAFF CORRESPONDENT

The save Buriganga movement has not attained the desired success due to local political influence, and an integrated monitoring body must be formed to save the river from encroachment and rising pollution.

Participants expressed this view at a roundtable in the capital yesterday, organised by the Dhaka City Corporation (DCC).

Last year, the government demolished 1,308 illegal structures on the Buriganga and its banks but most of them reappeared due to lack of political support and absence of a permanent watchdog for the city's lifeline, the participants pointed out.

Mayor Sadek Hossain Khoka,

who was in the chair, however said a committee headed by Shipping Minister Akbar Hossain was formed to save the river but it could not achieve its goal due to local influence.

He also said that in consultation with the prime minister, an integrated monitoring cell comprising representatives of various agencies concerned and non-governmental organisations will now be formed.

DCC sources said the authorities will demolish 420 illegal structures on both banks of the river next week.

Dr Mozaffar Ahmed, convenor of Buriganga Bancho Andolon, said that with government help land grabbers were evicted from the river

Jatiya Oikya Mancha President Dr Kamal Hossain has reiterated his demand for the formation of a neutral and independent commission headed by a former chief justice to probe the recent arms haul in Chittagong.
