#### **Ghorashal bridge** opens in July

BSS, Narsingdi

Construction of the 412-metre long Ghorashal bridge on Shitalakha river on Tongi-Kaliganj-Ghorashal-Panchdona road is nearing completion and expected to be opened for traffic in July, according to Roads and Highays Department Executive Engineer Juniad

The bridge, constructed at a cost of Tk 49.97 crore, will eliminate ferry service in the route. The work began in 2001

#### **Notorious Dacoits** held in B'baria

**OUR CORRESPONDENT,** 

Brahmanbaria police arrested alleged notorious dacoits Dulal Mia and Farid Mia from two places in the town Thursday night

They were wanted in several murder cases, police said. Police produced them before court,

which sent them to court. Three fishermen

# kidnapped for

#### ransom

**OUR CORRESPONDENT, Satkhira** Pirates abducted three fishermen from Rusho canal in the Sundarbans Wednesday night and demanded Tk three lakh ransom.

The victims are Akkas Ali, 45, Rashidul Islam, 34 and Abul Kalam, 48 of Kaikhali village in Shyamnagar upazila

Their relatives said the pirates later gave messages that the fishermen would be killed if the ransom is not paid within seven days.

# **BNP** leader killed by 'rivals' in Kushtia: Five arrested OUR CORRESPONDENT, Kushtia

A BNP leader also a former Union Parishad (UP) chairman who achieved notoriety in his area for involvement in underground activities was gunned down here on Wednesday.

The victim is Golam Mustafa alias Mukul, 38, president of Ambaria union BNP also exchairman of the same union.

Police told this correspondent

# **Baral dries up allegedly BNP** 'extortionists' released after arrest swoop on because of regulator complainants

originating at Charghat, flows The Tk 418.6 million Baral through Paba, Charghat, Bagha Regulator built at the confluence of Baral and Padma rivers in 1984 at and Puthia upazilas in Rajshahi district; Natore Sadar, Bagatipara, Charghat has virtually become a Gurudaspur, Lalpur and Boraigram 'death trap' for farmers in 12 upazilas in Rajshahi, Natore, Pabna upazilas in Natore: Ishurdi and and Siraigani districts. Chatmohar upazilas in Pabna and Water Development Board Bhangura in Sirajganj district. (WDB) sources at Rajshahi and The river falls into the Atrai river at Chanchkoir in Gurudaspur

Natore say the three-vent regulator was constructed to keep the catchment area of the river flood-free and to preserve water for dry season

#### irrigation But the result has been just the reverse as the Baral has dried up due to the regulator.

To preserve water, another fivein the last two decades, the WDB officials continued to implement the project, scheduled to be completed next year

The project cost is also increasing. Land acquisition cost increased from Tk 28.5 million to Tk 48 million sources said.

Local people and experts sav the Baral Regulator has caused havoc with environment. The Baral, which earlier remained full of water throughout the year, now remains drv in almost all seasons. Even during monsoon, sufficient

water does not flow into the river through the regulator as the river has been silted at the source. Fishes have also disappeared as they can not move into the river, making hundreds of fishermen unemploved.

The Baral has also lost its navigability. Boats and ferry vessels, which earlier used to carry goods

and fuel from Baghabarighat and Raishahi, can not move now. Local people in Charghat said

the Baral river could be saved by dredging it at its confluence with the Padma

The regulator should be replaced by a bridge. Normal flow of river can be restored by pumping water from the Padma into the Baral, the say

Abdul Latif, a teacher and former chairman of Charghat UCCA, told this correspondent that WDB constructed the regulator ignoring protests by local people.

During protest, WDB authorities had assured the people of Charghat that regulator would not be constructed but the assurance was not kept. They ultimately constructed the regulator and turned a live river dead, he said

Two activists of ruling BNP, a day after release from police custody, ransacked houses and shops of the complainants in the city on Thursdav.

**OUR CORRESPONDENT, Barisal** 

In two other incidents, two ruling party activists were seriously injured in factional clashes over share of drug money and extending influence in the city.

SI Faisal Zaman of Barisal Kotwali thana had arrested BNP activists Rafiq, Rubel and Razon with two revolvers from BIP Colony in Chandmari area of the city on April 20 after ward BNP vice president and businessman Shamsul Hug filed an extortion case against them

They are members of notorious Mehdi Bahini, led by Mahbub Alam injured in a clash with party rivals on

But Rubel and Razon were release from police custody along with firearms on the following day, allegedly in exchange of bribe. Police lodged a case only against Rafig and sent him to jail.

Being released, Rubel and Razon along with their associates attacked and ransacked the houses and business enterprises of complainant Shamsul Hug and his relatives in the BIP Colony.

During a visit to the affected areas vear farmer killed by Indian miscreants

STAFF CORRESPONDENT,

A Bangladeshi farmer was killed by Indian miscreants on Tuesday for resisting them from grazing cows inside the Bangladeshi territory.

The victim is Lutfar Rahman, 24, son of Nur Muhammad of Diar Manik Chalk village who died at the Rajshahi Medical College Hospital (RMCH) at midnight

The incident sparked tension as the Indian miscreants hacked him to death intruding into the Bangladesh territory at Godagari here.

On contact, the commanding officer of 10 Battalion of the Bangladesh Rifles (BDR), Lieutenant Colonel Muhammad Selim told this correspondent that the BDR already protested the killing, claimed compensation and demanded punitive measures against the killers through a letter sent to the Indian Border Security Force (BSF)

Locals disclosed that the BDR is indifferent to the increasing trend of the Indian miscreants to graze cows inside the Bangladesh territory at Diar Manik Chalk border
