Sourcing Merchandiser

Job Purpose:
Execute fabric sourcing processes, from development to bulk production in accordance with the established procedures and timelines.

Primary Responsibilities:

- Assist in developing and implementing short & long term garment sourcing strategies for the company.
- Achieve development and production lead-time, on-time delivery, pricing and quality targets.
- Negotiate garment price with mills/suppliers, consolidate price quotations and provide costing to internal customers.
- Ensure all required lab tests and fabric inspections are carried out timely to meet the quality standards.
- Keep track of the sourcing processes and ensure on-time delivery of fabric swatches, sample yardage, proto yardage, bulk garment etc.
- Proactively work with relevant parties in solving quality and on-time issues.
- Deliver strong customer services through creative & effective problem solving, quick & proactive responses as well as market intelligence.
- Create collaborative partnerships with key suppliers externally and key stakeholders internally.
- Monitor & assess the performance of fabric suppliers periodically and update the source base profile.

Requirements:

- Bachelor's degree from a reputable University in U.S.A, U.K, Australia & Canada
- Minimum of 5 years experience in Merchandising of denim Bottoms and non-denim bottoms plus, woven & knit Tops & sweaters.
- Must have strong technical, communication and people management skills & knowledge.
- Computer literate, proficient in all MS Outlook and other MS office applications.
- Must be national of Bangladesh.

Compensation and benefits:

- LS&CO offers an attractive and comprehensive package of salary and benefits, together with bright prospects of long-term career growth with the company.

Garment Quality Assurance Auditor

Job Purpose:

- Implement LS&CO fabric & garment quality standards at vendor mills to deliver quality products.
- Ensure fabric & Garment quality through in-line and pre-shipment quality audits as per LS&CO processes.
- Conduct mill assessment and provide training to mill on certification programs.

Primary Responsibilities:

- Bulk fabrics & garment delivered as per L.S. & Co. Quality Standards and Requirements.
- Mills are educated on fabric quality standards and inspection procedures.
- Supplier quality performance is measured & monitored to adhere to the standard requirements.
- Must be able to put in place process controls that will result in consistent quality of fabric and garments within acceptable finishing requirements.
- Proactively identify potential fabric & garment problems and take measures to resolve them.
- Identify high-risk products and recommend measures to avoid problems in bulk Production.

Requirements:

- Bachelor's degree from a reputable University
- Must be fluent in written & spoken English language
- Minimum of 3 years experience in Quality assurance for Denim, Non Denim, woven and knit tops & bottoms.
- Must have strong technical, communication and people management skills & knowledge.
- Computer literate, proficient in all MS Outlook and other MS office applications.
- Must be national of Bangladesh

Compensation and benefits:
LS&CO offers an attractive and comprehensive package of salary and benefits, together with bright prospects of long-term career growth with the company.
