**Challenging careers in the ICT industry**

We are a joint-venture ICT company starting operations in Bangladesh. Backed by the most competent human resources with state of the art internet services and applications - our Mission is to introduce highly advance ICT applications and services yet made simple and affordable by any organization regardless of size and location.

We are looking for experienced professionals to join us in our mission to accomplish the challenging task of introducing the most innovative ICT services in Bangladesh.

**Manager-Sales & Marketing**

A dynamic person with a proven track record, clear leadership abilities and a good understanding of IT, ITES and IT outsourcing is what we're looking for. A minimum of 3 years experience in a similar capacity is required. Those experienced in the field of ISP, ASP and Data Communication would also be considered. As the demand for our innovative products in on the increase your key responsibility will be to strategise and make plans to solicit the major market share with the vision of becoming the No. 1 ICT Service Provider in Bangladesh. A recognized marketing qualification would be a distinct advantage.

**Senior Sales Executives**

We need team players with a proven track record in sales with excellent communication and presentation skills. A minimum of 2 years experience in the field of sales and marketing is essential. Your key responsibility will be to sell a wide range of ICT Application Services within selected market segments. Familiarity with IT, hardware, operating systems and software along with past experience in selling IT related services would be an advantage.

Attractive remuneration are on offer for all positions. G P O Box 904  
If you think you can meet this challenge send in your CVs with contract details of 2 referees within 18/5/04 of this advertisement to the address given
