

MANAGEMENT TRAINEES

with Concern Bangladesh

Concern is an international development agency with operations in 30 countries in Asia, Africa, Latin America and Eastern Europe and head office in Dublin, Ireland. Concern engages in long term development work, responds to emergency situations, and undertakes development education and advocacy on those aspects of world poverty which require national or international action.

Concern Bangladesh has for over thirty years been committed to working with, and for, the country's poorest people. In recent years Concern has strategically moved away from direct implementation programmes and service delivery and more towards facilitation of partners. The organisation now has around 800 national and 8 international staff working in its Bangladesh field.

Profile of the Positions:

We require self motivated, dynamic, smart, hard working & energetic person(s), who are really intend and decided her/himself to start their career in the development sector. The organisation is looking for bright and ambitious individuals to take up a wide scope of training and development in health, education, livelihood security, enterprise development, marketing and monitoring activities of the organisation. As part of succession planning, s/he will be groomed to take up future responsibilities. We are willing to give on-the-job training to ensure a person achieves the necessary level of standards and skills to carry out the job of work. **So don't hesitate join us and be success.**
