

ETR: 1 Hour.

PS: I have been meaning to replace these for over two years now.

- Have our friend's visiting-parents over for dinner.
ETR: Half a day, or more; would depend on how elaborate I make it.
PS: There is no other time for it now. I could have done this anytime over these previous two months, for that's how long they have been here. They leave for India two days after I do. It is now, or not until their next visit (anytime between a year and three).
- Drop in at a particular Gentleman's place. I'd promised I'd do so before I leave.
ETR: An Evening
PS: I've been meaning to do so for several months.
- Get my hair chopped off. It pays to go groomed before my folks. Must not let them think I have given up on myself so early on in life!
ETR: The actual time is less than an hour, but I detest the preparatory stage-planning, shampooing, and all.
- Packing up for my trip: But of course!
ETR: Forever

A review on the day I leave:

Done:

- 1) Bailey Road.
Okay, I know this wasn't there on the agenda at all, but I couldn't help visiting Bailey Road to pick up sarees for family and friends. Had to make four trips. Mostly, to exchange the first set of sarees I bought. That's post-purchase dissonance at play.
- 2) Slice of Life piece-- one (few more words to fill in before this one gets over).
- 3) Attended two *Gaye Holuds*. Again, was not there on the original to-do list; got to know of these later.
- 4) Attended the most talked-about fashion show in town. Two evenings well spent!
- 5) Watched three latest Holly/Bollywood releases. Did this for no particular reason, had nothing better to do...

Pending:

- The rest from the original list.
Time Available: 5 hours.
