Business

HP ProLiant ML150. Priced for today's growing business.
Designed for tomorrow's expanding enterprise.

As an IT professional, you have dreams of transforming your business into a soaring enterprise. But, for this, you need to stretch your IT dollar, without disappointing your existing – and potential – customers. The need of the hour is a real server; one from HP, capable of servicing evolving workloads, even in the future.

Consider the expandable, dependable and affordable HP ProLiant ML150. Designed with the necessary horsepower to handle your applications with ease, it delivers superior enterprise computing performance with its Intel® Xeon™ Processor. Effortless removal and replacement of major components enhance manageability, while hot-swap models ensure high availability. Anticipate the need for more capacity? The HP ProLiant ML150 is so flexible and expandable, you get up to 730GB of mass storage, while memory can be increased to 12GB.

Take the first step towards becoming an enterprise; call for more information on the HP ProLiant ML150. Then get ready to enjoy accelerated performance at an affordable price.

Building an Adaptive Enterprise, linking business and IT.
