BNP cadres, police blamed for obstructing relief activities

STAFF CORRESPONDENT

Awami Swachhchasebok League yesterday accused the BNP cadres and police of creating obstruction in carrying out relief activities in flood-affected areas.

It said the BNP activists, in collaboration with police, attacked a Swachhchasebok relief team at Dohar upazila in Dhaka District on August 8 when they were going to distribute relief materials among the flood victims.

"On August 2, the BNP activists also looted our relief materials at Dohar," said AFM Bahauddin Nasim, president of Awami Swachhchasebok League at a press conference at its office.

He said ministers and leaders of the ruling party are distributing relief among the people who have cards with photos of late president Ziaur Rahman, Khaleda Zia and Tareque Rahman.

As a result, most of the flood-hit people are being deprived of relief materials as the cards are issued only to the supporters and activists of the ruling party, he added.

"The government relief materials are being distributed among the BNP activists," said Ponkoj Debnath, general secretary of Swachhchasebok League.

M A Mannan, Nirmal Guha, M Razzaq, Jahangir Ahmed, Golam Sarwar Mamun, Shamim Shahrier and Manju Nasrin were present at the press conference.

DU exams postponed till Aug 15

DU CORRESPONDENT

Dhaka University (DU) authorities have postponed all examinations till August 15, says a press release.

The DU authorities postponed the examinations as the flood situation is yet to be improved and to give the students more time for the preparation.

Fresh dates for these examinations will be announced soon.

Other examinations, which are scheduled to be held after August 15, will be held as per schedule.

Meanwhile, all classes of the university will resume tomorrow after a 17-day closure due to floods in the country.
