**VACANCIES: POST-FLOOD RECOVERY**  
The United Nations Development Programme (UNDP), Bangladesh seeks applications from Bangladeshi nationals for the following positions: within a UNDP-funded post-flood relief & rehabilitation project. The successful candidates will be recruited for a period of six months with the possibility of extensions up to one year. They will work as members of UNDP's Disaster Management and Crisis Prevention Team (DMCP). Detailed job descriptions for these positions are available at UNDP's website: [www.un-bd.org/undp/jobs](http://www.un-bd.org/undp/jobs)

**1) Emergency Coordination & Liaison Officer:** S/he will be responsible for maintaining liaison with all parties, incl. the Ministry of Food and Disaster Management, NGOs, Disaster Emergency Response (DER) members, UN agencies plus bilateral and multilateral donors for the purpose of ensuring overall coordination of the recovery activities for the population groups worst affected by the 2004 floods. S/he will be required to identify gaps, build consensus on field operation priorities to ensure effective humanitarian responses and adopt strategic steps towards smooth transition from emergency relief and recovery to longer-term rehabilitation and reconstruction.

**2) Specialist in Post-flood Economic Recovery:** S/he will be responsible to provide managerial oversight; monitoring and implementation of an infrastructure recovery programme. S/he will be expected to consult closely with NGOs/local GoB institutions to finalise action plans for the restoration of local infrastructure, including tasking of activities to various agencies and establishing time frames for the execution of works; contribute in elaborating technical guidelines for flood resistant infrastructure; supervise project implementation and reporting.

**3. Shelter Specialist:** S/he will be responsible for managerial oversight; monitoring and implementation of a large emergency shelter programme. S/he will be expected to consult with NGOs/local govt institutions to finalise action plans for identification of beneficiaries and shelter repair and construction, including tasking of activities to various agencies and time frame for the execution of works; contribute in elaborating technical guidelines for flood-resistant shelter; supervise project implementation & reporting.

**Qualifications for all three positions:** Minimum post-graduate academic background or equivalent from a reputed institution in a relevant development discipline, preferably social sciences, development studies, or disaster risk management. At least 10 years of relevant experience in a humanitarian context; excellent command in both English and Bangla; computer proficiency at a professional level; working experiences in the field of disaster management in the UN System or in other relevant institutions will be a desirable added qualification.

**Remuneration:** The salary range for all positions will be determined by UNDP and will be commensurate with the experience/qualifications of the candidates.

Applications should be marked "Confidential" and the position applied for clearly written on the left-hand corner of the envelope. All applications, including curriculum vitae, should be submitted to the Assistant Resident Representative (Human Resources), UNDP, IDB Bhaban 18th floor, Agargaon, at the latest 23 September 2004 at 12:00 noon. All applicants will be expected to sit for a written exam, and those who pass the written exam will be invited to an in-depth interview.

In line with UNDP's recruitment policy, any attempt by external parties to influence the internal selection process by unsolicited interventions in favour of a particular candidate will result in the automatic disqualification of the recommended candidate.
