... *light for life*™

Beacon Pharmaceuticals Limited will be the first pharmaceutical plant of Bangladesh to manufacture full range of modern anticancer products as well as other specialized drugs. It will play the role of 'light for life' to the ailing humanity. It has been designed by an internationally reputed pharmaceutical manufacturing facility development consultant, TELSTAR S. A. based in Spain. The facility will fully comply with the regulatory norms of European Standard. The project will cost Tk. 72.72 Crore (first phase) against which Tk. 43.25 Crore will be financed by consortium bank loan. It will complete in June 2005.
