Join. The world's local team.
As the world's local bank we never underestimate the importance of local knowledge. And that knowledge comes from our people. That's why we provide the HSBC team with an environment that combines local cultural awareness with exposure to international business. It's the world's local team.
HSBC Holdings plc, a global banking and financial services organisation with a vision to be the leading financial services institution in Bangladesh, is headquartered in the United Kingdom.
We at HSBC believe the only way to truly understand a country and its culture is to be part of it. That's why all of the HSBC Group's 10,000 offices around the world are staffed by local people. Their insight enables us to recognize opportunities that are invisible to outsiders, and provide financial solutions that are more relevant to our customers' lives. However, that insight doesn't just profit local customers. Best practices and ideas are then shared throughout the HSBC network, so that everyone who banks with us can benefit.
In order to achieve ambitious targets, we are embarking on a number of exciting new initiatives. We are looking for a highly capable, confident and enthusiastic individual to join this international network and wish to fill the following position:
Manager Treasury Operations-Finance
Job Responsibilities:
• Direct the Treasury Operations function so that internal controls are in place and that all Treasury Finance and Market risk issues are appropriately addressed.
• Ensure Compliance with both local regulatory requirements as well as the controls laid out in Group Manuals.
• Co-ordinate the preparation and monitor the implementation of Strategic/Operating Plans of the department.
• Organise and control the Administrative Payments section of the Bank.
• Advise and guide management on a wide range of issues covering items such as financial management control and tax.
Qualifications:
The ideal candidate should be an MBA/M COM/Professional Accountant with at least 4 years of banking/finance related experience with excellent technical skills and business acumen. Sound management skills, including staff management. He/she will also require knowledge of Treasury products and controls. Able to think strategically and focused on delivery.
HSBC is an equal opportunities employer, offering competitive compensation packages, excellent career development programmes and a friendly working environment.
If you think you have what it takes to join the HSBC team, please send your CV to:
