BCB announces A team's England schedule

SPORTS REPORTER

The Bangladesh Cricket Board (BCB) yesterday revealed that Bangladesh A team would play five three-day matches and four limited-overs games during their July-August tour of England next year.

The 34-day tour will start with a limited-over match against British Universities on July 18.

Presently, Bangladesh does not have a second string national side. The Board however will form an A team after the Sri Lanka Academy tours the country in the last week of November.

The Lankan Academy side will play one two-day match, two Tests (four-day) and three one-day matches against the BCB High Performance team.

Hostile welcome for Tigers in Ctg

CU CORRESPONDENT

Bangladesh vs. New Zealand

There were no smiles on the faces of Bangladesh captain Khaled Mashud, Mush-fiqur Rahman, Mohammad Ashraful and even coach Dav Whatmore when they turned up at the Chittagong Divisional Stadium for training yesterday afternoon.

All the players looked as if they had just come from attending a funeral before flexing their muscles ahead of the second Test against New Zealand starting at the MA Aziz Stadium on October 26.

No one dared to smile during the team's one-and-a-half hour practice session. Probably they seemed rattled from the hostile reception they received on arrival at the Shah

Amanat International Airport earlier in the morning.

Some curious cricket fans gathered at the airport used abusive language at the cricketers following their poor performance in the first Test in Dhaka, which they lost by an innings and 99 runs with one and a half-day's remaining.

After arriving at the airport at 11.30am by a GMG flight, the team went to the Agrabad Hotel, which will be the home of both the Tigers and the Black Caps for the next 12 days.

Some frustrated fans also greeted them at the Divisional Stadium.

However, neither coach Whatmore nor any player was willing to talk to reporters about their plans for the second Test.

Meanwhile, the Kiwis led by Stephen Fleming are expected to fly here today.

Adjustable Astle

SPORTS REPORTER

Bangladesh vs. New Zealand

The priorities for batsmen touring the sub-continent are embracing the alien conditions and making adjustments accordingly, believes New Zealand star Nathan Astle.

Perhaps motivated by that that theory, the Black Caps did not waste valuable time and trained yesterday on what would have been the fifth and final day of the first Test against Bangladesh.

Instead of resting in the comfort of their hotel rooms after thrashing the home side by an innings and 99 runs inside three and a half days, Stephen Fleming's men returned to the Bangabandhu National Stadium for a strenuous practice session in the morning.

"Coming to this part of the world from New Zealand, it is tough work to counter the heat and making adjustments. I've learned from my first tour to the sub-continent in 1995 that the key to success here is to play a lot of spin (bowling) and be cautious against pace bowlers who

can reverse swing the ball in these conditions," said the premier Kiwi batsman after a net session.

NATHAN ASTLE

"You have to take your time and can't rush," added Astle who has nine Test hundreds from 63 matches.

Astle, who has had many ups and downs in a career spanning nine years, believes that every cricketer has more bad days than good ones.

"It is part of the game. My come back and playing for the side has given me the confidence about my place in the team."

Astle, who holds the record for the fastest double century in Test cricket said that 222 against England remains the highlight of his career.

"That was an innings of a lifetime. A century in my first World Cup match (in 1996) is also a memorable one for me."

The 33-year-old from Christchurch added that he never sets specific targets going into a match but he wants to achieve two more things before he calls it a day: To play in the 2007 Cricket World Cup and score some more runs for his country.

Astle started off as an opener but later established himself as a middle-order batsman. He was also a bowler but nowadays does not use his torturous gentle medium pace anymore.

"That was in the good old days. But I have bad knees, which does not permit me to bowl," admitted Astle.

'Bangladesh needs to develop better home pitches'

LENIN GANI

Life has certainly been kind to Danny Morrison.

Remembered as the small man who initially had to share the new ball with the great Sir Richard Hadlee before taking over himself as New Zealand's spearhead, a task he did for nine years with unselfish dedication before injuries reduced his international appearances, Morrison was quoted as once saying, "it's nice to be involved in the game, because it was such a big part of my life."

By the time his playing career came to an end, the Auckland and Lancashire right-arm fast bowler could look back with a lot of satisfaction at his achievements over the years.

Until being displaced by Daniel

DANNY MORRISON

Not bad for a player who always bowled with a big heart especially in Trans-Tasman meetings. In fact his best figures of 7-89 are against Australia.

Batting was never something Morrison enjoyed particularly when for a short period the 38-year-old tail-ender held a dubious world record -- most number of ducks in Tests (24). And even though his finest hour came against England at Auckland in 1996, when he contributed 14 runs to an unbeaten, record-breaking, match-saving tenth-wicket partnership of 106 with Nathan Astle, it proved to be his last Test match.

Now a successful television and radio broadcaster as well as a sports columnist, Morrison was part of the commentary team during the first Test between Bangladesh and New Zealand that finished on Friday.

"Frankly speaking, the result was

Corporate cricket Araf taste first defeat

SPORTS REPORTER

Biman Bangladesh and Aktel maintained their winning run in the GrameenPhone Corporate Cricket League but defending champions Araf Apparels stumbled to their first defeat in four rounds yesterday.

Former national captain Khaled Mahmud's 34 helped GrameenPhone inflict a nine-run defeat on Araf at the BKSP ground in Savar in one of the day's six Twenty20 matches.

In reply to GrameenPhone's 118 all out, Araf reached 109-8 in their share of 20 overs.

Biman amassed 156 for four on way to a 63-run win, their fourth victory in as many matches, over Ispahani (93-8) at the Dhanmondi Cricket Stadium.

Like Biman, Aktel (77-7) also moved into the super league with their fourth consecutive win when they beat Acme Laboratories (76) at the same venue.

At BKSP, Robintex (98-9) snatched a thrilling one-run win over CityCell (97-8), Epyllion (125-4) comprehensively beat Partex (124-8) by six wickets while the match between BEXIMCO and Gazi Tank ended in a tie when Gazi Tank scored 102-7 while chasing BEXIMCO's 102-9.

SL on road to victory

AFP, Faisalabad

Master opener Sanath Jayasuriya hit an epic double hundred to put Sri Lanka on the winning road on the fourth day of the first Test against Pakistan at Iqbal Stadium here on Saturday.

Jayasuriya's magnificent 253 enabled Sri Lanka to post 438 in their second innings and give Pakistan a world record equalling 418-run target to win.

At close Pakistan were struggling at 114-4 with Yousuf Youhana on 23 and Shoaib Malik on three, with lanky paceman Dilhara Fernando claiming all four wickets in a spell of nine overs for 27 runs.

Pakistan faces a huge task to avert defeat as they need to play out 83 overs on the last day Sunday for a draw, or score 304 runs to win the match.

West Indies set the world record for the highest run chase last year in scoring 418 to beat Australia in the St John's Test.

If Pakistan is to win the Test, they will also have to far surpass their previous best final-innings chase of 315-9 against Australia in a 1994

match when they were set a target of 314 to win.

Pakistan got off to a positive start in their run chase with Yasir Hameed and Imran Farhat putting on 59 for the opening partnership in quick time.

But the 25-year-old Fernando put the brakes on when he trapped Hameed leg before wicket for 17 in his second over, then followed up by bowling Asim Kamal for one in his fourth.

He continued his destruction in his seventh over when he cut Farhat trapped leg before for 53, then claimed the prized scalp of skipper Inzamamul Haq, bowling him with a low delivery for three runs.

After a relatively restrained performance on Friday when he was forced to subdue Pakistani paceman Shoaib Akhtar, 35-year-old Jayasuriya dominated the hosts' attack on Saturday.

His 348-ball innings lasted 490 minutes and included 33 fours and four sixes, one of which came when he pulled an Akhtar short delivery to register the third double century of his career.

It took Jayasuriya 446 minutes

Sachin returns for third Test

AFP, New Delhi

Star Indian batsman Sachin Tendulkar, who missed the first two matches against Australia due to an elbow injury, has been declared fit for the third Test starting at Nagpur on Tuesday.

Indian team physiotherapist Andrew Leipus said Saturday that Tendulkar had passed a fitness test and had been batting for long periods at practice sessions without any discomfort.

"He is fit to play the Test and will be on the plane to Nagpur," Leipus said.

Tendulkar, with 9,470 runs in 114 Tests, had been out of international cricket since playing the Asia Cup final in Sri Lanka in August because of tennis elbow.

The 31-year-old, who is just one Test century short of equalling compatriot Sunil Gavaskar's world record of 34, said he was feeling confident and comfortable ahead of the match.

Tendulkar's return for the crucial match augurs well for India, who are trying to square the four-Test series against Adam Gilchrist's Australians.

The hosts trail 1-0 following their 217-run defeat in the opening Test at Bangalore. The second match ended in a draw at Madras.

Australia are seeking their first Test series win in India since 1969.

Mariner, Abahani win big

SPORTS REPORTER

Abahani made an emphatic start in the Club Cup Hockey when they inflicted a 7-0 defeat on Farashganj Sporting Club at the Maulana Bhasani National Hockey Stadium yesterday.

But Mariner Young's Club recorded a more resounding 14-0 victory over a lowly Bangladesh Railway in the first match.

Ace striker Rafiqul Islam Kamal and Mamun Hossain both scored hatricks to set the tone for a goal-filled day. They evenly shared eight goals for the Arambagh-based club.

Yeamin Vatri struck twice as Mariners ended the first half 4-0.

Khandakar Hasan Ahmed, Asaduzzaman Chandan, Prashanta Kumar Sarker and Ranjan Banik shared the other goals for winners.

For Abahani promising forward Russel Mahmud Jimmy, Russel Uddin Bachchu and Rana Das took turns to score twice each after Alamgir Alam opened the floodgates in the 10th minute with a field goal.

The Dhanmondi-based club, who finished runners-up last year after losing a troubled final against arch-rivals Mohammedan, led the

JFA Cup Narsingdi ride on Mahmud

SPORTS REPORTER

A second half strike by Mahmud helped Narsingdi register a solitary goal victory against Meherpur in the final round of the JFA Cup Under-16 Football Tournament at the Birshreshtha Shaheed Mostafa Kamal Stadium in Kamalapur Stadium yesterday.

After a barren first half, Mahmud netted the all-important goal in the 58th minute.

The second match between Sirajganj and Feni ended in a 1-1.

Sumon scored for Sirajganj in the 77th minute but Abdul Baten equalised for Feni three minutes later.
