Awami League (AL) presidium member Motia Chowdhury yesterday said that the government formed Rapid Acton Battalion (Rab) to root out AL, by killing its leaders and workers.

"Prime Minister Khaleda Zia must be produced before the judge on charge of killing people with the help of Rab". She said this while addressing a rally at Bangabandhu Avenue organised by Bangladesh Awami Jubo League, protesting the arrest of Advocate Belal Hossain, organising secretary of Jubo League.

"The alliance government is misusing the Rab to foil the ongoing oust-government movement," Motia added.

AL central committee member Mohammad Nasim said that Advocate Belal Hossain was arrested without any ground and his condition was very critical because of brutal repression by Rab.

AL Joint Secretary Obaidul Kader, Jubo League Chairman Jahangir Kabir Nanok and General Secretary Mirja Azam MP and city AL General Secretary Mofazzal Hossain Chowdhury Maya also spoke at the rally.
