'10,000 blind children to get back sight in four years'

BSS, Dhaka

More than 10,000 blind children suffering from cataract since childhood are expected to get back their vision in the next four years, sight

saving campaigners said here yesterday. Sight Savers International (SSI), a non-government organisation, has taken up the programme to operate upon the cataract of the blind chil-

dren to restore their vision with supports from ORBIS international, flying eye hospital.

According to a recent survey, there are 40,000 blind children in the country. Of them, 10,000-12,000 are suffering from blindness due to un-operated cataract.

"We will operate upon all the blind children having childhood cataract across the country," Programme Coordinator of SSI Dr Alamgir Hossain told journalists on the sidelines of the seminar held at the Brac Centre at Mohakhali here.

Dr Hossain said the SSI started the campaign in July last, but the formal programme would be launched from January next year. Blind children would be operated upon at six hospitals - Islamia Eye Hospital in Dhaka, CEITC in Chittagong and eye hospitals at Comilla, Sirajganj, Dinajpur and Khulna.

Inaugurating the SSI campaign, Social Welfare Minister Ali Ahsan Mohammad Mujahid said 80 per cent blindness of children occurs before the age of five. However, the sights of a third of the blind children could be restored through cataract surgery, he said.

Eminent eye specialist and former minister Professor MA Matin chaired the inaugural function, which was also addressed by country representative of SSI Dr M Enamul Kabir and representative of International Centre for Eye Health of London Dr Muhit.

Police launch special operation in Khulna

List of hundi traders, smugglers was sent about one and half years after decision

STAFF CORRESPONDENT, Khulna

Khulna Metropolitan Police (KMP) and district police jointly launched a special operation to track down 10 hundi traders and 17 smugglers listed by the Home Ministry.

The National Smuggling Resistance Committee took the decision in this regard at its 30th meeting in Dhaka on April 30 last year.

Akbar Ali, Deputy Commissioner (hq) of KMP, said the special operation is going on to arrest hundi traders and smugglers at the instruction of home ministry.

On reasons for delay in launching the special operation to arrest them, Akbar said that the city special

branch was supplied with the list on September 24.

Meanwhile, Sunil Kumar Saha, proprietor of Sonali Bidi Private Ltd, has fled the country after the raid on his printing press at 16, South Central Road under Khulna thana recently on allegation of printing posters of underground organisations. But police could not recover any such poster from there.

Akbar said that Sunil Saha had fled to India on advance information of the special operation as he tops the list of notorious hundi traders.

None of the listed hundi traders or smugglers could be arrested so far.
