

## A BIRD'S EYE VIEW OF DHAKA

**O**UR eyes home in on them everyday. They are some of the well-known architectural structures in the city with strong historical background as well as immense architectural beauty.

The aerial view of these famous structures of Dhaka captured recently in the camera of two architects Tanvir Mahmud and Chowdhury Farid offer a different look of them. The structures include:

1. Central Shaheed Minar.
2. Mausoleum of three leaders.
3. Bangabandhu National Stadium.
4. Unplanned urbanisation of Dhaka.
5. Salimullah Muslim Hall, Dhaka university.
