## Giant sharks give in after 28hr battle

STAFF CORRESPONDENT, Ctg

Fishermen caught two gigantic sharks in the Bay of Bengal after a 28-hour-long battle since Tuesday morning as killing of the carnivorous marine fish continues in the deep sea.

Hundreds of curious Chittagong people gathered from early morning yesterday at the Fishery Ghat in the city's Firingee Bazar area to have a glance at the two sharks, which weighed about eight and four tonnes.

The sharks, which were brought to the bank of the Fishery Ghat from the deep sea the previous night, were beached with a crane when this report was written at 4:00pm yesterday.
