CAREER OPPORTUNITY with Concern Bangladesh

Concern is an international development agency with operations in 30 countries in Asia, Africa, Latin America and Eastern Europe and head office in Dublin, Ireland. Concern engages in long term development work, responds to emergency situations, and undertakes development education and advocacy on those aspects of world poverty which require national or international action. Concern Bangladesh has for over thirty years been committed to working with, and for, the country's poorest people. In recent years Concern has strategically moved away from direct implementation programmes and service delivery and more towards facilitation of partners. Concern is now inviting applications from person who are confident to take over the following positions.

SENIOR TRAINING OFFICER - MUNICIPAL HEALTH PARTNERSHIP PROGRAM (MHPP)

Profile of the position: Main responsibility of this position to oversee the training team; Conduct training needs assessments, adapt appropriate curricula and develop modules, arrange and follow-up staff training for municipality and Concern. The Senior Training Officer, while based at Regional office at Rangpur, is expected to visit projects at regular interval as per project needs.

Requirements:

- Masters in Social science/Medical graduate with at least 5 years working experience as a trainer for health programs especially on maternal and child health in development organisations, proven ability as trainer and be able to plan, organise and conduct training independently.
- The incumbent should be able to develop training curriculum, training materials, produce good quality of training reports in both Bangla and English, and have excellent facilitation skills in organising and conducting in-house training.
- Skills on different BCC approaches (child to child, peer education, adult learning) and consensus building methodologies would be preferred.
- Knowledge and functional connection with leading training institutions on health and development issues in the country would be an advantage.
- Experience of working in partnership programs with government or local government.
- Computer skill in MS word, Excel, PowerPoint is desired.

TRAINING OFFICER - MUNICIPAL HEALTH PARTNERSHIP PROGRAM (MHPP)

Profile of the position: Municipal Health Partnership Program (MHPP) of Concern Bangladesh is a partnership programme with two municipalities (on the process of expanding to more municipalities) in northern districts of Bangladesh which aims to improve the management and technical capacity of municipalities to deliver good quality services, particularly on child survival interventions through facilitation and mentoring. Based in Rangpur this position is responsible for managing all training activities for partners and the project staff. The incumbent ought to be confident in training at project level.

Main duties include:

- Developing of the training curriculum/module. Arranging & conducting the training for the project staff as well as for the GoB staff. Training report preparation and liaison with stakeholders.

Requirement:

- MBBS or equivalent degree with at least 3 years experience in training, preferably in child and maternal health.
- Expertise in curriculum development and working in a team & foster team building situation.
- Computer skill in MS word, Excel, PowerPoint is desired.

Compensation: For Both the positions a competitive and attractive salary will be offered which is negotiable based on experience & education.

Interested candidates are requested to send their resume with copy of a recent passport size photograph and names and addresses of two referees to: Human Resources Department, GPO Box No. 650, Dhaka-1000 by 20 December 2004. Please include your contact address and telephone number. Please mark the envelopes with the position applied for. Any sort of persuasion will be treated negatively. Due to the volume of applications, only candidates under positive consideration will be informed of the outcome.
