

China imposes duties on textile exports

AFP, Shanghai

China will impose duties on textile and clothing exports to ease international concerns...

goods based on volume rather than value as a way to encourage the production of higher-end textiles, Chong said.

Textile producing nations, worried about China's production muscle, have urged the WTO to extend the quota-free deadline until December 31, 2007.

States or any other WTO member to limit imports if it finds local markets are being disrupted.
