

Tushar, Nafees shine A good day for hosts

SHAHIDUL ISLAM, Chittagong

Two brilliant knocks by Tushar Imran and Nafees Ahmed helped the Bangladesh Cricket Board (BCB) XI post a fighting score of 316 for seven on the first day of the three-day practice match against Zimbabwe at the Chittagong Divisional Stadium yesterday.

Tushar could not have hoped for a better start to the New Year when the discarded one-day specialists scored an unbeaten 102 after Nafees Ahmed, dubbed a player in the making, missed the magical three-figure mark by just three runs at a venue that has just got international recognition.

The Board XI made those runs in 80 overs before captain Rajin Saleh declared. The performance of the virtual second string Bangladesh side on the first day of a new year gave an indication that better things are not far away when Habibul Bashar's men start the first Test against the inexperienced Southern African nation at the nearby MA Aziz Stadium on

January 6.

At stumps, Zimbabwe had reached 41 without loss in the remaining 10 overs with T Matsikenyeri and B Rogers unbeaten on 12 and 18 respectively.

The BCB XI got off to a bumpy start after winning the toss, losing two wickets for 47 runs. But left-handed opener Nafees and Rajin (38) led the recovery, putting on 112 runs for the third wicket.

A member of BCB Development Squad and a consistent performer for his side City Club, Nafees struck 19 sweetly timed fours in his entering 125-ball knock.

The home side suffered a stunning collapse starting with Nafees, who fell with the score on 179-4. And they lost three more wickets for 16 runs before Tushar and Tareq Aziz Khan built another century partnership for the undefeated eighth wicket to ensure the home team went past the 300-run mark.

Tushar dominated the 121-run stand with eight boundaries and a six. Tareq gave his senior partner good company with a defiant 29.

It was a disappointing day for Al Shahriar, who scored a two-ball

duck. Leg spinner Matsikenyeri was most successful bowler for the tourists with four for 59.

Regarding the declaration, captain Rajin told reporters he did not hope for a breakthrough in the day's final ten overs.

"If we can take a few early wickets tomorrow, I believe, we can go on and win this match," he said.

because we have a lot of young and inexperienced players but we're still trying to win this game."

Meanwhile, Australian selectors sprung a surprise Saturday by axing Michael Kasprowicz and Darren Lehmann and bringing Shane Watson and Stuart MacGill into the Australian team for the final Test at the Sydney Cricket Ground.

Kasprowicz, who has been one of Australia's best bowlers over the last six months, was named 12th man while the Test career of

Inzamam again succumbed to a back injury while Razzaq has not recovered from an illness which laid him low during the second Melbourne Test, which Pakistan lost by nine wickets to lose the three-match series.

Stand-in skipper Yousaf Youhana said the setbacks had forced a delay in the composition of the Pakistan team, with all-rounder Shoaib Malik and paceman Mohammad Sami already ruled out with injuries from the Melbourne Test.

"We can't even name a team yet," Youhana said Saturday. "We have to replace four players. There will be a lot of changes."

There were hopes that Inzamam, the most experienced player in the touring side, would help ease the player shortage but he failed to come through a practice session at the nets at the Sydney Cricket Ground on Saturday, leaving the tourists in further disarray.

Razzaz was hospitalised twice in Melbourne after complaining of dizziness and shortness of breath.

Although he batted in Pakistan's second innings he was taken back to hospital after the Melbourne Test after collapsing.

Sami has been ordered to rest because of a foot injury while Malik split the webbing on his fingers taking a catch in Melbourne.

Youhana said his team was up against it in the final match of the series after going down to Australia four days in both the Perth and Melbourne Tests.

"Australia don't take it lightly and we don't either," he said.
