Fake Rab member arrested

BSS, Rajshahi

Police on Saturday arrested a fake member of Rapid Action Battalion (Rab) at Panchandar village in Tanor upazila. According to police, Osman Gani, 28, son of Ismail Hossain of Kaziara village in Godagari upazila identified himself as a Rab member and demanded Tk 5,000 from a Ward Commissioner of Mundumala Poursabha, Ejanul Islam. On suspicion, local people gave Osman Gani a good beating. He confessed he was a van-puller.

30 hurt in clash over paddy harvest

OUR CORRESPONDENT, Patuakhali

At least 30 persons were injured, 10 of them critically, in three separate clashes over aman harvest on Saturday. According to villagers, the clash ensued when followers of Joyal Abedeen group were cutting aman paddy on a dispute land at Kartik Pasha village in Durki upazila. Their rivals and followers of Abu Musa group attacked them.

Phensidyl smugglers nabbed

A CORRESPONDENT, Madaripur

Police chased two Phensidyl traders and arrested them from a river recently. The arrested smugglers are Arun, 29, and Tarek Sheikh, 23. They were carrying Phensidyl by a car from Jessore to Dhaka. When they reached Kaorakanil ferryghat at Shibchar upazila, police wanted to search their vehicle. At once they started running and finally jumped into the Padma. Police chased and arrested them and recovered 380 bottles of Phensidyl from their car.

Rab intervention sought to stop drug trade

STAFF CORRESPONDENT, Khulna

Seven ward commissions of Mongla Poursabha have demanded immediate intervention of Rapid Action Battalion (Rab) to stop drug trade.

In a statement issued on Saturday, the ward commissioners expressed their grave concern over rampant sale of drugs at 50 spots in the port area and Mongla township and rise in drug addicts.

The ward commissioners blamed police for open sale of drugs at Mongla.

Food procurement drive faces setback

Farmers selling foodgrain in open markets due to higher price in Gaibandha, Satkhira

STAR NATIONAL DESK

Food procurement drive faces setback in Gaibandha and Satkhira districts due to higher prices of paddy and rice in local markets in comparison with the official procurement rates.

Our Gaibandha Correspondent reports: The Food Department is yet to collect aman paddy and rice due to higher prices of foodgrains in local markets.

At present paddy is being sold in markets above Tk 30 to 40 per maund than the government rate. Rice is being sold above Tk 100 to 125 per maund than the official rate.

According to the District Food Controller's Office, the target of paddy procurement drive has been fixed at 1,704 metric tons while that

of rice at 3,713 metric tons. Ten procurement centres have been established in the entire district for the purpose.

The drive began on November 25 and will continue till February 28. The government has fixed the procurement rate of paddy at Tk 344 per maund and that of rice at Tk 524 per maund.

While visiting the markets in a few remote areas in the district, this correspondent found that paddy was being sold at between Tk 375 to 380 per maund and rice at Tk 640.

Our Satkhira Correspondent reports: Poor official rate fixed for food procurement drive is the main reason behind its failure.

The government has fixed the price at Tk 1,310 per quintal rice and at Tk 860 per quintal paddy. But rice is being sold

at between Tk 1,550 to 1,700 per quintal and paddy is being sold at between Tk 950 to 1,000 in open markets.

According to sources in the Food Department, the government has set a target to procure 1,473 metric tonnes of rice and 1,808 metric tonnes of paddy from nine purchasing centres set up in the district.

There are only 2,107 metric tonnes of rice and 41 metric tonnes of wheat in nine food godowns, according to sources.

The agents failed to collect single grain so far since beginning of the drive on November 25 last year. The drive will end on February 28.

Meanwhile, several projects taken under the Test Relief (TR) and Food for Works schemes remained suspended due to lack of foodgrains in government godowns.

Female farmers take care of saplings prior to tea plantation at Rawshanpur village in Panchagarh district. Many tea gardens were established here recently.

Tk 1.20 cr poverty alleviation programme in Nilphamari

3,000 ultra-poor people change fate within four months of the ASA project launching

OUR CORRESPONDENT, Nilphamari

A major Non-governmental Organisation (NGO) has undertaken a praiseworthy initiative to make ultra-poor people self-reliant.

With the noble objective in view, ASA launched an ambitious 1.20 crore taka poverty alleviation project in the Monga (a famine-like situation) affected areas in September last year.

Under the programme, 3,000 ultra-poor people in seven unions in the district have changed fate following receipt of 30 lakh taka soft loan, according to ASA team leader Khademul Islam. Islam told this while he was addressing a meeting to exchange opinion with journalists recently.

Availing of the opportunity, a few beneficiaries started small business while others opted for tailoring, paddy crushing, making fried rice, cakes and manufacturing handicrafts. They earn good profits by selling their products in markets.

The ASA team leader further disclosed that 90 lakh taka would be distributed among 8,000 ultra-poor people by June this year.

To monitor the programme, ASA President Shafiqul Huq Chowdhury and former health minister and Gono Swastho Project Co-ordinator Zafrullah Chowdhury visited the project intervention area recently.

During the visit, they went straightway to the beneficiaries' cottages and become aware about the prospect of the project.

On conclusion of the visit, the ASA president declared his intention to further expand the project. He asked the field level officials to form a committee to find out ways to make the loan distribution programme more dynamic and easy. He directed the officials to submit reports of their findings within 15 days.

Finally, he announced a plan to implement a long-term self-employment programme to combat Monga in the affected areas in near future.

UNPLANNED SAND LIFTING

Meghna erosion takes a serious turn in B'baria

OUR CORRESPONDENT, B'baria

Meghna erosion at Charlapang village in Nabinagar upazila (UZ) has been intensified in last 10 days.

This is because of unplanned sand lifting from the river.

According to villagers, the river devoured 120 houses including trees.

Although river erosion is a regular feature in the area, yet it has taken a serious turn this season, according to a villager named Abdur Rahman. 'Erosion victims are living under open sky in the shivering winter season,' he told The Daily Star.

West Nabinagar Union Parishad (UP) Chairman Golam Kibria told this correspondent he visited the affected area and appealed to the higher authorities for relief to the needy. 'Erosion victims should be rehabili-

tated by giving financial support and allotting government 'Khas' land', added the UP chairman.

Woman 'killed by husband'

STAFF CORRESPONDENT, Khulna

A housewife was poisoned to death allegedly by her husband at Mahmud Kati village in Paikgachha upazila on Saturday.

The victim is Arati Dutt, 32, also mother of three children.

Her husband Mukunda Dutt, 40, a fish trader by profession, forced her to eat rice mixed with poison on the fateful night because she failed to bring dowry for her from her father.
