Ahmed Sharif Rahman

Ambition: I would like to choose engineering as my career. At the same time I hope to continue my studies further on Physics, the subject that fascinates me most.
Favourite quotation: Geniuses are born, not made.

Md Mayaz Rahman

Ambition: To be a true nation-builder not in words, but in deeds. I want to bring honour.
Favourite quotation: Never say die.

Ruhi Al Jawwad

Ambition: I still haven't settled what will be my ambition. Nevertheless, whatever it might be, it will be something to make a difference.
Favourite quotation: There is no greater natural advantage in life than having an enemy overestimate your faults, unless it is to have a friend underestimate your virtues.

Galib Hossain Shishir

Ambition: My ambition in life is to establish myself in the arena of mathematics. The reason behind my choice includes the fact that students particularly in our country find the subject technically difficult.
Favourite quotation: It is nice to be important but it is more important to be nice.

Nafis Rahman

Ambition: I want to touch the sky.
Favourite quotation: Dream big, work big, live big.

Tawfik Mohammed

Ambition: To be honest, I want to study engineering, because it interests me and my interest is the only inspiration for my efforts.
Favourite quotation: Man has known how to live an immortal life from time immemorial: be good to yourself, your family and friends and contribute towards the development of mankind and soon you will have your name on the pages of history.

Humayara Bushra Hossain

Ambition: Ambition to me means looking forward to achieve bigger goals in life. I dream of pursuing a successful career as an embryologist, set up my own research centre and carry out 'pre-implantation genetic diagnosis' here in my country.
Favourite quotation: Life is not a midsummer nights dream neither a tempest; its a comedy of errors to live as it you like.

Priyanka Saha

Ambition: To serve for the prosperity of my nation.
Favourite quotation: A successful person is one who can lay a firm foundation with the bricks that others throw at him.

Rezaul Haque

Ambition: Ambition is for 'ambitious people', not for me. I would just like to have small aims, and accomplish them one by one.
Favourite quotation: 'An erudite fool is a greater fool than an ignorant fool'. -- Moliere

Kaniz Fatema Mona

Ambition: My ambition is to become a genetic engineer. I want to go abroad and do my studies.
Favourite quotation: Life is very hard and if a person learns to struggle with it, he will be on the top of the world.

Syeda Bushra Sania Faiz

Ambition: I want to live a happy and honest life and make all my dreams come true.
Favourite quotation: Life is a great big canvas. So put all the paints on it you can.

Shamsul Arif

Ambition: My aim is to do my undergraduation in Pharmacy.
Favourite quotation: Take advantage of five things before five others happen. These are your life before death, your health before illness, your leisure before preoccupation, your youth before your old age and your wealth before your poverty. -- Prophet Mohammed (pbuh)

Rashedul Haque

Ambition: I have finally come to the decision of becoming an electrical engineer. I thank Almighty Allah for bringing me this far and pray that I have his blessings all the way for achieving my future goals.
Favourite quotation: "Intellectuals solve problems; geniuses present them." Albert Einstein

O Level

Mustafa Rashad Hasnain

Ambition: I've been thinking of becoming an engineer. Since mechanics is the part which I like best in Physics, so mechanical engineer is what I'd like to be in future, at the moment.
Favourite quotation: "Know thyself".

Shabad Bin Hannan

Ambition: I am sure that I would like to do something that would make my parents proud.
Favourite quotation: Some things just come to you only once, so when they do just grab it with both hands.

Anik Dey

Ambitions: When I grow up I would like to develop computer games. This is my aspiration, as well as my passion!
Favourite quotation: 'Good Things Take Time but Great Things Happen All At Once.'

Ahmed Adeeb Huda

Ambition: My ambition is to be an engineer. This has been my ambition for a long time and I am trying very hard to achieve.
Like many others I have kept no alternative choices in life, I want to be an engineer and I am going to be one.
Favourite quotation: Be a complete human, remain cheerful and happy under all circumstances.

Taskeen Ahmad

Ambition: My dream is to be a chemical engineer, but if I can't be a chemical engineer, then I might join the UN, organisation.
Favourite quotation: A stitch in time saves nine.

Nahid Rahman

Ambition: The world seems a terrible place to a large number of people. I want to work to help them so that when I am gone, people can say that I had made a difference.

Nahim Bin Zahur

Ambition: My ambition in life is to become a nuclear physicist. Since nuclear physics is one field in science where there is much that is unexplained, I would like to carry out research on atoms and their nuclear so that humanity can gain a better understanding of the atoms that constitute matter.
Favourite quotation: "Show me a good loser, and I'll show you a

A Level

Asfia Mahin

Ambition: I want to be a successful business executive in future.
Favourite quotation: Success is the ability to go from one failure to another without the loss of enthusiasm.

Iftekhar Alam Tanvi

Ambition: I want to pursue -- aeronautical engineering, genetic engineering or architecture -- my ultimate aim will be to enlighten men and help them claw their way back from the firm clutches of ignorance.
Favourite quotation: A successful person is one who can lay a firm foundation with the bricks that others throw at him or her.

Rowza-Tur-Rumma

Ambition: I choose Neurosurgery, because it is a profession both challenging and humanitarian. Hopefully the Kindest, Almighty Allah will provide me the opportunity to excel in this field.
Favourite quotation: Life is a gift of God; cherish it, decorate it, enjoy it, and make sure all your beloved ones are as happy in it as
