

### Bangladesh International Tutorial

#### O Level

#### Sk. Laila Ayesha

**Ambition:** I think I am going to be a doctor because it will make my father's dream come true.  
**Favourite quotation:** It's better to have loved and lost, than never to have loved at all.

#### Muhammad Mubassir Noor Swapnil

**Ambition:** My ambition is to be an Engineer and I want to study further in this field. After completing my studies I will develop my career as an Engineer so that I can benefit my society.  
**Favourite quotation:** Think like a man of action, act like a man of thought.

#### Nazrin Khanom

**Ambition:** To become a world famous Mathematician.  
**Favourite quotation:** 'Don't shoot for the moon when you can shoot for the stars'.

#### Muhith Ahmed Chowdhury

**Ambition:** Whenever I peep out of my window at night, it is normally to see my one true love, the night sky. Her heavenly aristocratic movement amazes me even today just as it used to years ago. My one true dream is to fully comprehend my love of space by studying astronomy in MIT.  
**Favourite quotation:** Success is a delicacy that tastes bitter

#### Tanveer Rashid

**Ambition:** I would like to do my major in Economics from one of the top universities of the world and help my country, Bangladesh, to climb as many steps up the ladder.  
**Favourite quotation:** 'Set your goals as high as possible, then

#### Mohammed Sharfuzzaman Khan

**Ambition:** My ambition in life is to become the very best in what I pursue. And I want to become a very successful and the very best business executive in the world. Because the world only respects the best and the rest are left to follow.  
**Favourite quotation:** "If you don't know where you are going,

#### Taushaba Hossain

**Ambition:** My ambition is to be the ultra cool dentist of the future. Keep smiling and have those cavities coming in!  
**Favourite quotation:** "Everybody makes mistakes; that's why they put erasers on pencils."

#### Sifat Adiya

**Ambition:** My passion is to become an economist and do my post-doctorate in the subject and serve international organisations like UNDP, UNICEF or IBRD.  
**Favourite quotation:** Avoid opportunity at the cost of doing something!

#### Shukanya Chowdhury

**Ambition:** I want to cure all kinds of diseases by becoming a doctor.  
**Favourite quotation:** "The woods are dark, lovely and deep. But I have promises to keep and miles to go before I sleep and miles to go before I sleep."

#### A-Level

#### ASM Rahatullah

**Ambition:** For as long as I can recall, my ambition has been, and I'm sure will always be, to become a pilot. I've flown by aircrafts several times and the sensation that surges through me at the height of about 20,000 feet is enthralling.  
**Favourite quotation:** Live for the ones you love, but never forget

#### Waseem Alim

**Ambition:** I intend to join politics and do something for this country.  
**Favourite quotation:** I seek not eternal life but to exhaust the realm of the possible.

#### Miethy Zaman

**Ambition:** There is no significant thing that I have decided as my ambition now. But I wish to be successful in anything that I do.  
**Favourite quotation:** Never be the pot calling the kettle

#### Ateshin Rukhsa

**Ambition:** As far as my career is concerned, I want to establish myself as a self-renowned, successful architect. Maybe as a researcher.  
**Favourite quotation:** Live for today, because today is bliss.

#### Sana Mohammed Shams Shafiq

**Ambition:** To discover the elementary particle that makes everything.  
**Favourite quotation:** A successful man is one who wakes up in the morning, goes to bed at night, and in between does whatever he pleases.

#### Maual Mijanur Rahman

**Ambition:** I want to be successful in representing my country and making Bangladesh proud of me.  
**Favourite quotation:** God helps them who help themselves.

#### Syed Shahidul Islam Khan

**Ambition:** Career in Accounting on high profile is the ambition considering the opportunity to perform in this ground, which has widely extended in the last few decades worldwide.
