

## Dhanmondi Tutorial

O Level

### Alina Amatullah

**Ambition:** I have not decided as yet, but would definitely like to do something that would make the world a better place even in a small way. Above all, being a good human being is my goal.

**Favourite quotation:** Happiness is not the end of life, character is.

A Level

### Ishtiaque Amin

**Ambition:** I would like to be an 'electrical engineer' with concentration in 'electronics' as the world is running on the 'magic' of electronics. I do not know what life has in offer for me, but I wish to specialize in this field from one of the world's top universities.

**Favourite quotation:** Always smile and try to bring a smile on other's faces.

### Farzana Rahman Moury

**Ambition:** Though I am not a very ambitious person but I want to be successful in whatever I do. I want to do something so that other people follow me and remember me forever.

**Favourite quotation:** 'Be emotional in your dreams but practical in your life.'

### Charisma Enam

**Ambition:** Right now I am concerned about my 'A' Levels but I hope to pursue my higher studies.

**Favourite quotation:** All that I have learned from life can be summed up in 3 words 'Life Goes on.'

### Samrina Sattar

### Farah Mahmood

**Ambition:** I would like to do something that has an impact on the world; something that I would be remembered for. I want to find a job that brings happiness and fulfillment into my life.

**Favourite quotation:** "Dreams come true; otherwise nature would not invite us to have them." John Updike.

### Muhibul Hassan Adil

**Ambition:** To be a man of destiny, who is always 'wanted' to create landmark. However, I would just wish to enjoy the milestones in my life to the fullest.

**Favourite quotation:** Destiny cannot be ruled. So always be on guard, there might be a twist of fate within a nick of time.

### Ashequr Rahman

**Ambition:** My heart lies in Biology. I wish to do my studies on Biotechnology, specially on Genetic Engineering.

**Favourite quotation:** Try to enjoy the small happiness of life. They sum up to become the greatest joy of your life. Live life to the fullest. Do not devote yourself to studies only! Try to enjoy life.

### Iffat Karim Luba

**Ambition:** I consider myself too young to know exactly what I want to do with my life. But, whatever, it is money is a priority. Basically, my one ambition is to find work that is fulfilling, rewarding and puts meaning into my life.

**Favourite quotation:** "A mind troubled by doubt cannot focus on the course to victory." -- Arthur Golden

## Endeavour

O Level

### Rajendra Narayan Saha

**Ambition:** Since I was a kid I always wanted to be a good human being and serve humanity. Whatever I do or become I want to be as successful as one can get, and do something for myself, for my family and for my country.

**Favourite quotation:** Life is a battlefield where you always have to fight for victory.

### Syed Ashraf Ali

**Favourite quotation:** The only rules that matter in this world are what a man can do and what a man can't

### Mohammad Rizwan Al Rahman

**Ambition:** I want to be an architect in the future. I find it exciting that the only way of building what I dream is by being an architect. Who knows, maybe I will get a shot at designing the tallest building in the world!

**Favourite quotation:** "A good friend is a person who bails you out of jail, but your best friend is the person locked up in jail with you."

## European Standard School

O Level

### Syed Nazmul Amin

**Ambition:** I want to be a good human being.

**Favourite quotation:** Live and let live.

### Sayra Zareen

**Ambition:** Nothing is more precious than a human life. And I want to do something that will help me to polish and save lives. Yes, I aspire to be a doctor, a medical surgeon specially. This way I will have a career and also my noble purpose to serve people will be fulfilled.

**Favourite quotation:** A man who wants to do something will find a way; a man who doesn't will find an excuse."

### Shabnam Azim

**Ambition:** I really haven't decided yet on one particular thing because one moment I think about becoming a Genetic Engineer and the next a pilot and so on.

**Favourite quotation:** "Fame is a four-letter word. And like tape, or zoom, or face, or pain, or love, or life, what ultimately matters is what we do with it."

### M A Zahid Hossain

**Ambition:** My ambition in life is to be a computer engineer. More specifically, I want to be a software developer. I just want to dedicate myself and my work for the better of my country and I hope my minor efforts would be useful for my country on its way to success.

**Favourite quotation:** The first step to knowledge is to know that we are ignorant.

### Anika Raisa

**Ambition:** For me the greatest reward for my toils is not what I get for it but what I become by it. I want to be what I potentially can, so that I can overcome any challenge life throws my way.

**Favourite quotation:** 'The great use of life is to spend for something that will outlast it' William James.

### Tawhid Ullah Al-Mahmood

**Ambition:** First of all, I would like to make my parents' dreams come true. Then for me, I would study electronics and lead a happy life with my "Quantum Lifestyle!"

**Favourite quotation:** "Everything should be made as simple as possible, but not simpler." Albert Einstein

### Syed Mashrur Ali

**Ambition:** I want to be really successful in whatever that I do, doesn't matter which line of work I find myself in. Anything that involves a lot of travelling would be great, as I love visiting new places and explore them.

**Favourite quotation:** There aren't any in particular.

### Md. Yahfi Talukdar

**Ambition:** My ambition is to pursue a career in the medical field.

**Favourite quotation:** The purpose of my life is to have a life of purpose.

### Mohammed Rezwan Islam

### Nadia Kader

**Ambition:** Since childhood, at some phase in my life, I've wanted to be Roald Dahl's magical 'Matilda', then a fearless Lara Croft or a bewitching Harry Potter, then a captivating guitarist like Santana or an à la mode fashion designer for Giorgio Armani.

**Favourite quotation:** "So close, no matter how far ... couldn't be much more from the heart ... forever trusting who we are ... and nothing else matters ..." --- Metallica

### Tahsin Faraz

**Ambition:** I wish to study in the field of aeronautics. But in general, my aim is to achieve success in whichever field I am able to excel in. The present era is like a game of chess where one has to think twice before making one's move.

**Favourite quotation:** That which is perceived is not always

### Sumaira Binte Ashraf

**Ambition:** My ambition in life is to discover my ideal niche to create my idiosyncratic magnum opus and to explore all the spheres of human achievement so that I may leave my foot prints on the sands of time.

**Favourite quotation:** Believe that life is worth living and your belief will help create the fact. -- William James
