

European Standard School A Level

Ibtesam Nazim Ahmed

Green Gems Int. School O Level

Al Hasanur Rahman

Ambition: I decided to study automobile engineering. I love and have extreme passion for cars and I intend to turn this passion into my profession. I aim to get into a renowned company such as Toyota or Mercedes, as an engineer, gain experience and then return to my country to open a factory here.
Favourite quotation: "Just go for it!"

Nazmul Hasan Bandhan

Ambition: Computer Science is my first choice for higher studies then I wish to be a computer engineer.
Favourite quotation: "God, nature and yourself make these three your friends. Only then, you will never feel lonely. Because these three will always be with you."

Manarat Dhaka International O Level

Mashrur Hasan Khan

Ambition: My primary ambition is to get myself admitted in to IBA. My final ambition is to become the managing director of a multinational company. I have the determination to do whatever possible by me for the betterment of the people of Bangladesh.
Favourite quotation: No pain, no gain.

Saqeb bin Mahub Rafi

Ambition: I have wanted to become a lawyer since I was a kid, and now I am absolutely delighted to have crossed the first and most vital hurdle quite smoothly, if not easily. My ambitions are limited to being a good lawyer, a reasonable person, and if possible, an icon in the society.
Favourite quotation: Keeping yourself under pressure is the best way of bringing out the genius hidden in you.

Sharif Rezwan Shuvo

Ambition: To be a Doctor
Favourite quotation: I don't have yet.

Happy Times International School O-Level

Tishma Rahman

Ambition: The complex art of making decisions at this juncture prevail over my currently undefined ambitions in any case, the future continues to be a complex enigma which I shall endeavor neither to prophesy nor to decipher....
Favourite quotation: The world is complicated and

Md Abeed Hossain Sarker

Ambition: I haven't decided yet. I want to be a football player, a musician, a software engineer, a psychiatrist, a chemist and a good human. After all, wants are unlimited.

Md Arman Khan Ovi

Ambition: My ambition is to be a 'telecommunication engineer'. This shall enable me to promote the telecommunication system of my country to world-class standard and hence I can become famous.
Favourite quotation: Know thyself. Be confident and believe that you can overcome any odds.

Faisal Khair Chowdhury

Ambition: I would like to give back to the world as a Robotic Engineer. Robotic Engineering is a field where ideas are developed in order to eliminate human intervention from demanding or hazardous tasks.
Favourite quotation: Never say 'Die'; Discipline, Determination and Dillgence are the keys to success.

Nujhat Mehreen

Ambition: To be an architect.
Favourite quotation: If winter is here, can spring be far behind?

Amir Muhammad Imran

Ambition: I want to become an 'electrical engineer'
Favourite quotation: Success is counted sweetest by those who never succeed.

Ingenious Int'l School & College

Rasib Hassan Khan

Ambition: I would want to be an Electrical Engineer. My plans are to do my masters, right after my graduation and then do something for my country, and maybe, help it strive out from the present situation.
Favourite quotation: Don't look at the results; just try your best and you will get what you want.

Rubama Karim

Ambition: I want to serve my country in anyway possible.
Favourite quotation: What we are is God's gift to us. What we become is our gift to God. - Eleanor Powell

Farzana Saeed

Ambition: I want to do some valuable research work in the field of science. Most importantly, I wish to satisfy my soul in every right possible way.
Favourite quotation: Keep trying, there would be a day when you will make it.

International Turkish Hope School O-Level

Md Ashfaq Bin Shafique

Hassan Sami Adnan

Ambition: To study biotechnology and become a Genetic Engineer at King's College!
Favourite quotation: "Hope dangles on a string, like slow spinning redemption".

Mohammad Mahfuzul Kabir

Ambition: I am passionate about music. I like to play guitars, but the one that amazes me most are drums. So, I set my goal to be a drummer. I want to do something for the music industry in Bangladesh.
Favourite quotation: Life can be and should be made simple, but not simpler.

Muzhtaba Tawkeer Islam

Raqeebul Islam Ketan

Ambition: To study astrophysics and work in NASA.
Favourite quotation: "Nights are there for dreaming, days are there for materializing dreams."
