

## Manarat Dhaka International

### O Level

#### Khadiza Chowdhury

**Ambition:** I actually wanted to be a prime minister but I guess that won't be possible. So I fixed my mind to be a surgeon and hope I can help my country and the people through my profession.  
**Favourite quotation:** Saving the environment from all harmful things we can save our world for tomorrow.

#### Tasnuva Rashid

**Ambition:** I would prefer to study in the faculty of life science or become a doctor (Neurosurgeon). Now lets see what the future holds! But whatever it is, I am ready to give it my best shot.  
**Favourite quotation:** Never give up!!!

#### Atanu Bhattacharjee

**Ambition:** For the present I wish to pass successfully my A Levels and look forward to specializing in Accounting and be a Chartered Accountant by profession.  
**Favourite quotation:** Most people judge men only by success or by fortune. Maxim 212/progress is the law of life: man is not Man as yet. Paracelsus. Part V.

#### Suhan Khan

**Ambition:** Months ago, I wanted to be a pilot. But now my ambition is to become a leading Barrister of Bangladesh.  
**Favourite quotation:** Narrow minded people discuss about people; general people discuss about events; greatest people work in silence. Follow the greatest. (Mridul Kumar Acharjee -- my teacher).

#### Abul Bashir Sujon

**Ambition:** Right now I am looking forward to seeing another Daily Star award, and that's of course for my A-Levels result. I also have a burning ambition to become an electrical engineer and fulfil the dreams of my parents.  
**Favourite quotation:** The root of the matter is found in me.

#### Avee Barua Chowdhury

**Ambition:** It's better to keep no ambition than not achieving one.  
**Favourite quotation:** Know thy self.

#### Walid Bin Khaled

**Ambition:** Like many others, I don't have one ambition. But my ultimate ambition is to do something for our country, our people. For that, I need to have sufficient resources as well as a strong goodwill. To achieve those, I want to do business in an honest way.  
**Favourite quotation:** All praise is for Allah, the creator.

#### Abdullah Ahmad

**Ambition:** I always want to see my parents smiling for me. And the only way I can do this is by being successful in life, in whatever I do. This is the ambition of my life. However, I wish to be an astronomer in future, because astronomy fascinates me.  
**Favourite quotation:** Don't throw the arrow towards the sun, it will never reach; try to throw it somewhere nearer, it might over come.

#### Ehtesham Shafique

**Ambition:** "My ambition is to study biological sciences and devote my life wholeheartedly to the benefit and welfare of mankind."  
**Favourite quotation:** "Doing little things well is the way towards doing big things better."

#### Salman Ahmed

**Ambition:** My dream is to do something that will help others and serve my beloved country. After thinking a lot, I decided to become a doctor, which will give me a great opportunity to serve poor people and my country.  
**Favourite quotation:** All praises are for Allah, the creator.

#### Anila Zaman Khan

**Ambition:** My target is to go abroad, either USA or UK, and study either marketing or CA and become a successful professionalist.  
**Favourite quotation:** Do what satisfies you and live in the present because tomorrow may never come.

#### Tasnim Hossain

**Ambition:** I prefer being a successful and prominent doctor.  
**Favourite quotation:** Knowledge comes but wisdom

#### Sadia Tasnim Chowdhury

**Ambition:** To be a doctor.  
**Favourite quotation:** To dedicate for the country & nation is a real success in life.

#### Arobi Barkat

**Ambition:** I want to do higher studies on genetic engineering. The study and research in this branch of science has not yet developed in our country. After studying abroad I plan to come back to my country.  
**Favourite quotation:** "We know what we are but we know not what we may be".

#### Faisal Hasan Ahmed

**Ambition:** I have had often imagined myself as a doctor, a scientist or even a business tycoon. My ultimate goal is simply to become an A-Achiever and make my parents and dear ones proud of myself.  
**Favourite quotation:** If you worried about falling off the bike, you would never get on.

#### Tahanee Mujib

**Ambition:** I want to pursue my dreams.  
**Favourite quotation:** Education is not the filling of a pail, but the lighting of a fire.

#### ASM Didarul Hoque

**Ambition:** "In the future, I want to be involved with the everchallenging business world of today and succeed in whatever I do. All in all, I want to enjoy my life to the fullest."  
**Favourite quotation:** "Success occurs when opportunity and

#### Fardin Humayun

**Ambition:** I still remember the day when I first learned to walk with earnest help from my parents. By reckoning all these and many more instances my aim in life will always be-To live up to my parents' expectations.  
**Favourite quotation:** Only those who chase dreams are the ones who catch them.

#### Mohammed Nazmul Alam

**Ambition:** It seems so cliched whenever I find someone aiming to be an engineer or a doctor. I don't have any specific aim, but what ever I do, I wish to be successful.

#### Amit Islam

**Ambition:** I want to be a doctor specialised in child diseases because the children are the future citizens of a nation. The welfare of a nation depends largely on the service of doctors. So my ambition is to be a doctor.  
**Favourite quotation:** "Success through honest and dedicated service to mankind."

#### Fatema Binte Tufail

**Ambition:** My goal in life has always been to become a good person and make my family proud.  
**Favourite quotation:** Every time you suppress some part of yourself or allow others to play you small, you are in essence ignoring the owner's manual your creator gave you and destroying your design. Oprah Winfrey.

#### Nusrah Hussain

**Ambition:** 'From the day when I started to understand the meaning of doctor,' I wanted to be a doctor. I still maintain this desire. My aim in life is therefore to be a medical doctor and serve the ailing community through treatment of their illness.  
**Favourite quotation:** The philosophy of my life is to serve the sick community as a member of medical profession.

#### Arsila Mehnaz Sein

**Ambition:** Desdemona was a fool, I say. Worship I, Lady Macbeth. Such a colossal embodiment of ambitions. Benevolent dictator is to be my ambition.  
**Favourite quotation:** To be a ruler.

#### Imran Newaz Khurshid

**Ambition:** "Right now, I am looking forward to my A level. I am not sure whether I will be studying engineering later on but I am eager to study in IBA."  
**Favourite quotation:** "Be confident and take your fear as a challenge."
