

Maple Leaf International School

O Level

Isaba Alma Farid

Ambition: To achieve everything cheerfully, that life has to offer. I want to be a successful medical officer, as my life has offered a chance to me and since both my parents are doctors, and are guiding me throughout.
Favourite quotation: Perfection is the ultimate goal.

Md Mahbul Hasan

Ambition: "At this point, I am looking forward to do well in A' Level and after that I would like to study engineering."
Favourite quotation: "Always believe in yourself in whatever you do."

Rokin Rezwan Haque

Ambition: Air crafts have fascinated me since my early childhood and so I wish to pursue my dreams by joining the course for Aeronautical Engineering at the best recognised institution of the world.
Favourite quotation: We can give the very best for achieving our goals but the fruits lie in Allah's mercy which He bestows among us on whom He wills.

Ishtiaque Shams

Ambition: I do not need any ambition to go forward in life.
Favourite quotation: The past is not ours to recover but the future is ours to win over.

Md. Tahmio-un-Nabi

Ambition: My ambition in life is to become a Chartered Accountant. I think that our country needs some financial expertise and if I am able to contribute something and make a difference I will think I have made my life a success.
Favourite quotation: Life is a dangerous game for those who attempt to play it. For others it plays itself.

Rubaiya Binte Hussain

Ambition: To reach for the stars!
Favourite quotation: Don't be satisfied with being average. Average is as close to the bottom as it is to the top.

Kazi Amit Imran

Ambition: I want to do something for the poor and deprived people of this country. And to turn my dream into reality, I will join politics.
Favourite quotation: "Life is a business where problems flow around in the air. So never trust anyone."

Md Shadab Mashuk

Ambition: Electricity and electrical machines fascinates me a lot. From my childhood I used to think inquisitively how computers, generators etc worked. I would like to go abroad to pursue my higher studies in electrical engineering.
Favourite quotation: "You can change your tomorrow if you seek

Sameer Delwar Yousuf Patwary

Ambition: What I had always pondered from when I was a child was to be a Formula 1 driver. I used to dream about driving those great cars at 200 km/h and sometimes envisage myself crashing with other cars. I am rather captivated by accounting i.e. Chartered Accountancy.
Favourite quotation: "Work hard as hard work always pays off in the end."

Malik Mohammad Tahiyat

Ambition: I plan to help the future students to learn Maths in a modern, sophisticated way and bring the best out of them. I would also want to be honoured as a teacher when I step in my professional life.
Favourite quotation: "If a thing is worth doing it is worth doing

Maria Ahmed

Ambition: My first aim in life is to take best care of my parents, then the second aim is to become a heart surgeon so that I can contribute something to mankind by curing people.
Favourite quotation: The ones who work hard today have a prosperous future whereas the idle ones have no future.

Samiu Al Ahmed Tabib

Ambition: When I look around my society, I see so many discriminations and people suffering from 'superiority complex'. My aim is to uproot all these misconceptions from our society, and make this country a better place to live in.
Favourite quotation: "Never look at the doors closing behind you,

Mashfique Ibne Akbar

Ambition: "To study hard, to be a good human being, to be truthful and to excel in life by being an actiurist."
Favourite quotation: The more I learn, the more I realise how much I don't know.

Raisa Hussain

Ambition: Right from my childhood I always dreamt of being someone my country can truly be proud of. So I would like to fulfil my dream by becoming a worldwide reputed economist and glorify my country's name.
Favourite quotation: Life is short but beautiful so love it, feel it, enjoy it to the fullest. Make every moment of it precious for you.

Sayeed Ahmed Chowdhury

Ambition: Actually I am right now focused on my A' levels, trying to get good grades in all my subjects. I will give my full commitment to whatever I do in the near future, it might be anything including Engineering and other stuffs.
Favourite quotation: Opportunities are like sunrises. If you wait too long, you miss them.

Mafta-ul-Alif

Ambition: If 'Mom' is the first word I learned then aeronautics is the second. My mother is my biggest inspiration for me to become an aeronautical engineer. A modest and elegant career as an aeronautical engineer, is the only goal of my life.
Favourite quotation: Man does evil out of ignorance.

Rafayel-bin-Mahamud-Byuiyan

Ambition: To be the best in whatever I do.
Favourite Quotation: "Know Thyself"

Safinaz Shahreen

Ambition: Make a difference -- I believe that everybody has reason for being here and everybody has potential. The current situation of our country and society is not exactly in a very good position, so I intend to exploit my potential and put it to use for a better future, a better fate of the nation.
Favourite quotation: Life is short, taste every single part of it and

Mohd. Miquat Hassan Mushi

Ambition: I want to be an electrical engineer in the future. I want to study in 'BUET' after completing my A-level.
Favourite quotation: "Anyone who has never made a mistake has never tried anything new".

Reasat Kamal Faisal

Ambition: I haven't decided yet, but I want to study abroad after my A' levels. My parents want me to be a neurosurgeon. I have left it to God. He will show me the right path.
Favourite quotation: It is good to forget. The person who has great memory, and doesn't forget anything at onetime becomes

Shahriar Khan

Ambition: I would like to be an architect or an engineer so that I can construct awe-inspiring structures like the Taj Mahal and Sky Scrapers like the Twin Towers.
Favourite quotation: There is nothing such as luck and fate; it is our choice that determines our future and makes us who we are

Md. Mahfooz Buksh

Ambition: I really haven't given much thought about it but as computer fascinates me, I think Computer Science will be good for me.
Favourite quotation: Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.

Rehan Azad

Ambition: I would like to complete my studies in business, and fulfill my dreams of becoming a successful entrepreneur; and help the people of my country.
Favourite quotation: "When you are content to be simply yourself and don't compare or compete, everybody will respect you."

Sharmila Chakraborty

Ambition: I would like to be a Genetic Engineer.
Favourite quotation: "The first step to knowledge is to know that we are ignorant."
