

SALUTING THE NATION BUILDERS OF TOMORROW

SPECIAL SUPPLEMENT ON O & A LEVEL AWARD (2003 -2004)

The Daily Star

Mastermind School

O Level

Ontiq Dey

Ambition: I would perhaps become an engineer or an economist, depending on my 'A' level result. I could also try becoming a chartered accountant because solving accounting problems is another of my passions.
Favourite quotation: One should always play to win.

Sameer Ahmad Khan Mojlish

Ambition: I would like to be an electrical engineer. I aspire to serve Allah by doing good to mankind. I want to lead an honest and simple life even if corruption exists in my daily life. I want to live as a true Muslim.
Favourite quotation: Have faith in Allah and always depend on Him. He will surely help you even if you do not understand that.

Maher Shafat Sattar

Ambition: My ambition is to have a job.
Favourite quotation: "Nobody's right if everybody's wrong." David Saranow

Hasib Mohammed

Ambition: The education we are acquiring is not for earning money merely. Its all about honesty and proper impartial behaviour that we have to learn to be a much more higher human being in life. If I have any ambition in life ... it's just to learn to be a better human being.
Favourite quotation: Blood for blood.

Mahmudul Hasan Chowdhury

Najmus Sakib Bin Salam

Ambition: I want to complete higher education in Physics or economics and contribute to my country's society. I also want to pursue my interest in music.
Favourite quotation: Honesty is the best policy.

Fahima Mumtaz

Ambition: I want to be a doctor. I would also like to work for conservation of forests and endangered animals of my country.
Favourite quotation: Whatever you want to do, do it now; there are only so many tomorrows. -- Michael Landon

Mohammad Arbaaz Nayeem

Ambition: Be an outspoken citizen for the nation on the world stage.
Favourite quotation: There are 3 things that are of utmost importance in speeches. Who said it, how he said it and what he said. And out of all these, the last matters the least.

Nabil Khan

Ambition: I have no specific ambitions but ideally, within ten years, I would like to make a career out of engineering and settle down with a decent job.
Favourite quotation: If you want to kiss the sky you better learn how to kneel.

Asadullah-Al-Galib

Ambition: To tell the truth I have no particular ambition. However, science fascinates me but at the same time I find it a brain partially imitated. The big bang and the evolution theory look dubious to me.
Favourite quotation: I do not count the hours I spend in scanning through 'you' I evaluate the amount of juice I engross from 'you' 'book'

Naushin Rubaiyat Ayesha Hossain

Ambition: Obstetrician/Gynaecologist. I intend to alleviate the pain of countless, faceless women suffering silently all over the world.
Favourite quotation: "Today"

Sahar Ahmed Chowdhury

Musabbir Hayat Khan

Ambition: Electrical Engineer -- even through these two words pretty much summarizes it, it was hard to come to a decision. There are other branches of study that fascinates me.
Favourite quotation: Life is like a pack of cards. Just like it is impossible to predict the next card it is impossible to know what fate holds next.

Montaha Jamal

Ambition: My ambition is to be the first woman trauma surgeon in Bangladesh.
Favourite quotation: Nothing is impossible.

Farzana Khan

Ambition: I haven't yet come to what I'd call a real decision. Right now, I've started off university with BBA but I might change track. Be it whatever, all I know is I'm going to do it real good because I believe hard work always pays off.
Favourite quotation: I believe in self-criticism. It helps me search for opportunities to present myself as a better person to

Shubho Mohtad Sadi

Ambition: My ambition is to become a Chartered Accountant. It is important to have an ambition in your life. Without an ambition no one can prosper in life. I have taken my ambition very seriously, and I am confident that I will become a Chartered Accountant one day.
Favourite quotation: "All men are rational". -- Aristotle

Abul Fazal Muhammed Ruhul Hafiz

Ambition: To build my own utopia.
Favourite quotation: "You cannot dream yourself into a character: you must hammer and forge one for yourself."

Anirban Mondal Joy

Ambition: Engineering Aerospace, Mechanical or Electrical.
Favourite quotation: Freedom of mind.

Mehtaj Binte Saad

Ambition: As selfish as it is my ambition in life is to live in peace and happiness, doing all the things I love and living to the fullest. But in the end, I want to look at my life and feel that, yes, I made a difference, however subtle it was.
Favourite quotation: He who has a why to live can bear almost any how. -- Friedrich Nietzsche

Fahmi Enam

Ambition: Undecided
Favourite quotation: For what it's worth, it was worth all the while.

Fahim Bin Zahur

Ambition: I am currently studying to be a telecommunications engineer and hope to have a successful career as one. At the same time I wish to be a good citizen of the country and would like to lead a happy life.
Favourite quotation: All work and no play makes Jack a dull boy.

Shafat Ahmed Mubin

Ambition: To achieve success in physics research.
Favourite quotation: Success is 95% perseverance and 5% talent.

Md. Yasinul Karim

Favourite quotation: God helps those who help themselves.

Tauhid Sayeed Bin Kashem

Ambition: I wish to assist mankind through my works in Physics or Economics.
Favourite quotation: Man, know thyself hold fast to your dreams, and do not let go, for the truth in life will always shine.
