

## Mastermind School

A Level

### Syeda Kashfi Qadri

**Favourite quotation:** There is no point in doing something unless you do your best.

### Muntasir Kamal

**Ambition:** Einsteins and Max Plancks would revive the solemn and basic pure study of Physics which ever glorifies Physic's kingdom, and some day, I would like to have the opportunity to be one of them -- 'a physicist' in its true meaning.

**Favourite quotation:** Mine honour is my life, both grow in one; take honour from me and my life is done. W Shakespeare

### Shakera Afjara

**Ambition:** My ambition is to be a civil engineer. After completing my A-level, I hope to get admitted in an engineering university and complete my higher education.

**Favourite quotation:** Good humour is one of the best articles of dress one can wear in society' by WM Thackeray.

### Samee Zahur Al Islam

**Ambition:** To be at the forefront in the quest to satisfy our curiosities about nature -- how does it work and why.

**Favourite quotation:** Knowledge always shows itself it does not need to be backed by certificates.

### Nashid Hassan

**Ambition:** Study Genetic Engineering and find a cure for diseases like AIDS and cancer.

**Favourite quotation:** "Luck generally comes to those who look after it, and my notion is that it taps, once in a lifetime, at everybody's door, but if industry does not open it, luck goes away."

### Mohammad Mohasin Sarder

**Ambition:** I want to be a successful man and want to serve my family as well as my country. In professional life I want to be an Aeronautical Engineer.

**Favourite quotation:** I have promises to keep. And miles to go before I sleep. And miles to go before I sleep.

## Oxford International School

O Level

### Nasheet Nizam Khan

**Ambition:** To gain, share and use knowledge to improve the living conditions and security of mankind.

**Favourite quotation:** There are no short cuts to success.

### Mohammed Manik

**Ambition:** Ambition in my life is much less a priority than it was five years ago. So does that mean I'm a ship with out a rudder? I wouldn't like to think so; because I believe grabbing opportunities as they come by is much more yielding than to grope around in the dark.

**Favourite Quotaion:** 'Success comes before work only in the dictionary.

### Taha

**Ambition:** I aim to be a researcher- to take the scientific field to a new level. The science of matter; the branch of the natural sciences dealing with the composition of substances and their properties and reactions- is my field to study.

**Favourite quotation:** "To blind them from the truth that finds a way to whom we are yet the unveiled truth states we know not a fragment of our mind"

### Saad Azmeen-ur-Rahman

**Ambition:** My foremost objective is to establish myself in life. Then I would like to devote myself to the welfare of humanity and to make the Earth a better and serene place to live.

**Favourite quotation:** Give the world the best you have, and it may never be enough; give the world the best you've got anyway. Mother Theresa

### Nushrat Nowrin

**Ambition:** Being able to understand and get what I really want: Is it being a physicist, being a writer or just being with myself?

**Favourite quotation:** Yourself can be your or someone far more important to your existence...-when your dreams and reality coincides, that's when you have a perfect life and everyone loves you..."

### Mezba-ul-Gaffar

**Ambition:** "Since childhood, my dream ranged from being a valiant Cop to even intrepid Spiderman. I want to be that kind of human being and dedicate myself to a life where I can analyze every second that I exist --- I want to be a perfect man!

**Favourite quotation:** "The essence of knowledge is, having it, to apply it; not having it and, to confess your ignorance".

### Tanvir Manzoor Hussain

**Ambition:** I plan and prepare for university, my sole hope is that I can take the correct decisions in life so that I can achieve the greatest possible successes in the future. I am sure that in this way I will definitely be able to realise my ambition and thus make my family and my country proud of me.

**Favourite quotation:** Live and let live/live, love and laugh.

### Farhana Islam

**Ambition:** To reach the sky- I won't give failure a chance to reside in my life. I want to be a Neurosurgeon-sitting at the zenith of life-a life so great that people will have to look up at me.

**Favourite quotation:** "When a resolute fellow Steps up to that great bully, the world, and takes him boldly by the beard, he is often surprised to find that the beard comes off in his hand, that it

### Shailen Ray

**Ambition:** Being a son of a rural country, I want to help the people of my country by curing them. This dream is leading me forward towards my ultimate goal, and I am determined that I can reach that.

**Favourite quotation:** "A real friend comes in when the whole world goes out"

### Muhammad Mahshid Haq

**Ambition:** I haven't narrowed it down to a single specialised field yet, but at the moment, I want to study something related to biology/chemistry.

**Favourite quotation:** God helps those who help themselves.

### Mehraz Karim Adnan

**Ambition:** I want to continue my further studies abroad. I would like to develop my career as an Aeronautical Engineer

**Favourite quotation:** "Patience is the solution to all problems."

### Raquib Ahmed

**Ambition:** I want to be an Aeronautical Engineer.

**Favourite quotation:** I believe that everything is possible and it is just a matter of time.

## Mastermind International School, CTG

O Level

### Sayem Mohd Hanif

**Ambition:** I want to be a Mechanical Engineer.

**Favourite quotation:** He is greatest who is most often in men's good thoughts.

### Nakib Haider

**Ambition:** I've got so many of them -- dreams...of a palace with the mountain and the sea... a smile in my ma's face when she goes for that long sleep she deserves so bad ... a requiem for the dead dreams of the freedom fighters... of a secret chord that tells you all that I had to say.

**Favourite quotation:** I'm not a lift, nor do I take one. I'm the stairs, my feet on the ground and arms reaching for what is beyond any of your

## Play Pen School

O Level

### Kazi Muhtasim Hassan

**Ambition:** It is quite impossible to succeed in life without an ambition. I also dream to become a successful person in life by pursuing my goal. At present my aim is to do well in my A-levels by dint of hard labour and effort, so that I can achieve what I want in the future.

**Favourite quotation:** We make our own future and call them fate. ....Alroy

### Tehzeeb Ahmed

**Ambition:** Study Astronautical Engineering in MIT and make a career in NASA's Jet Propulsion Labs.

**Favourite quotation:** "All's well that ends well."

### Ahmed bin Parvez

**Ambition:** People never stop dreaming. But there are only a few who mould the dreams to reality. I dream too, like all the others. In my dreams I touch the clouds in the sky, I fly amongst the birds, I talk to trees, and ..... I achieve the noble prize for chemistry!

**Favourite quotation:** I never create, I only discover. So do you. So does everyone.

### Kazi Mashfia Fardeen

**Ambition:** Since my childhood I was always inspired by my grand mother to be a physician. Keeping that in mind, I went forward, fearing at times whether it was my right decision.

**Favourite quotation:** "I find that the harder I work, the more luck I seem to have." ..... Thomas Jefferson
