

## Scholastica School, Dhaka

### O Level

#### Tasnia Tahsin

**Ambition:** To speak the truth, I don't have any ambition yet. But I certainly do want to become something in life and whatever I may end up doing I hope to excel in it.

**Favourite quotation:** "The present is what slips by while we

#### Nafis Mashiur

**Ambition:** My ambition is to become successful in petrochemical engineering. Bangladesh will not require bringing in foreign expertise at huge costs if engineers like me are willing to serve the country.

**Favourite quotation:** Never forget; never, EVER, forgive.

#### Syed Sarah Amin

**Ambition:** To withstand the test of courage which is not to die but to live.

**Favourite quotation:** A dreamer is one who can find his way by moonlight, and his punishment is that he sees the dawn before the rest of the world. Oscar Wilde, The Critic as Artist

#### Tasnuva Sultan

**Ambition:** To be a mechanical engineer.

**Favourite quotation:** "What you have not achieved is what you have not attempted to do yet."

#### Naweed Alam Chowdhury

**Ambition:** I haven't yet come to the point where I decide exactly what I want to do with my life. For the time being, I want to successfully tackle whatever life throws at me and, in the process, keep my values and priorities in check.

**Favourite quotation:** Imagine no limitations; decide what's

#### Taslima Ahmed

**Ambition:** My ambition is to be successful, an honest, good hearted person and I want to bring pride to my country.

**Favourite quotation:** The key ingredient of success and accomplishment is passion and strong will.

#### Tausif Salim

**Ambition:** My overall ambition in life comprises of a number of don'ts: Never allow a pricetag to be attached to my integrity; never allow my soul to be lost to undeserved hands; never lose grip on three things; dreams, hope and faith; and finally do not complicate my life searching for happiness, as it lies in the simplest of things.

**Favourite quotation:** 'Never let your dreams be blown away no matter how stormy the situations in life may seem.'

#### Noorin Tasmia Siddique

**Ambition:** To be an interior designer and to develop and introduce new concepts in architecture.

**Favourite quotation:** "Never say never".

#### Md Emdadul Haque

**Ambition:** I'll come, I'll see and I shall conquer.

**Favourite quotation:** History will make you great, all you need to do is what should be done.

#### Abu Shams Md Rezwanul Malek

**Ambition:** To become a model citizen for my country and make a positive contribution to society.

**Favourite quotation:** "Only dead man know the end of war"

#### Raya Mahbuba

**Ambition:** To do something in the field of medical research (genetics, nano-technology, etc)

**Favourite quotation:** Don't expect life to be fair.

#### Rumana Chowdhury

**Ambition:** I want to be the world's first medical researcher to come up with a vaccine which will cure people suffering from AIDS.

**Favourite quotation:** Where there's a will, there's a way.

#### Adina Malik

**Ambition:** To do major in business administration and minor in business law.

**Favourite quotation:** One should learn from the mistake one makes, rather than regretting the fact of having it been accomplished.

#### Saamiya Seraj

**Ambition in life:** My love for economics has made my ambition in life to be a great business woman so that I can have the power to improve and strengthen the economy of Bangladesh.

**Favourite quotation:** At any given point of time in life a person has the power to change his or her destiny.

#### Yamin Khan

**Ambition:** To bring peace and prosperity to our nation by any means.

**Favourite quotation:** Aim small, miss small.

#### Cezanne Enwar Alam

**Ambition:** My ambition is to live a surreal life. Being a perfectionist, I could only achieve that after inexorable hard work, which manifest in a respectable career and be able to die as a man who has lived up to all expectations.

**Favourite quotation:** "Ever since a little boy, I have always refused to be adhesive to the adage that "ignorance is bliss"

#### Safwan Bin Shabab

**Ambition:** Research work in the filed of Economics and possibly formulate a development theory for Bangladesh and other Least Developed Countries.

**Favourite quotation:** "Plan for tomorrow, live for today, but party tonight."

#### Maisha Mehreen Islam

**Ambition:** I want my work to scream out individuality and excellence. I believe that the power of work and creativity can be your salvation. And I am ready to achieve this power and reach for the stars, even if I have to stand on a cactus to do so!

**Favourite quotation:** Life is not a laughing matter, but can you imagine life without laughter?

#### Mayesha Khan

**Ambition:** I want to be extremely rich. I want to do something which would bring me enough money to buy at least two Porsches, a custom-made Lotus and a McLaren.

**Favourite quotation:** 'Let bygone be bygone'.

#### Sarwat Farabee

**Ambition:** I dream of flying aeroplanes and reaching the skies. My dream is my ambition. I had been fascinated with aeroplanes since childhood by watching them in the air and in movies.

**Favourite quotation:** "Winners don't do different things. They do things Differently."

#### Arman Mohammad Dayan

**Ambition:** My ambition in life is to be an engineer. I know it is difficult to reach a target in this competitive world. But as a matter of fact I will try my best to end up my career as an engineer.

**Favourite quotation:** Live for others.

#### Mirza Faiyaz Hossain

**Ambition:** Well currently studying in the commerce line I hope to get into a good university following up with doing BBA and MBA in the future.

**Favourite quotation:** Make yourself an honest man and then you may be sure that there is one less rascal in the world.

#### Sigma Shams

**Ambition:** Economist.

**Favourite quotation:** Life is not a final exam. It's like pop quizzes. So, even if we flunk in one of the quizzes, it does not end, in fact, we start preparing for the next one.

#### Bushra Amreen

**Ambition:** I want to attain the unattainable, conquer the unconquerable, and make the impossible possible.

**Favourite quotation:** We cannot change our yesterdays but we can change our tomorrows. When it comes to difficult issues in life be a worker, not a judge.
