

SALUTING THE NATION BUILDERS OF TOMORROW

SPECIAL SUPPLEMENT ON O & A LEVEL AWARD (2003 -2004)

The Daily Star

Scholastica School, Dhaka

O Level

Faraz Anwar Choudhury

Ambition: I want to study Aeronautical Engineering because aeroplanes and aerodynamics always fascinated me.
Favourite question: If letters are the pen of language, then music is the pen of soul.

Shakib Shabab Huq

Ambition: To become a highly successful business tycoon.
Favourite quotation: Without pain there is no gain.

Shahriar Mahmud Ninad

Ambition: In respect, a resolution dawns on me: to devote myself for the cause of humanity.
Favourite quotation: "It is defeat that turns bore to flint; it is defeat that turns gristle to muscle; it is defeat that makes men invincible."

Sumaiya Naz Huq

Ambition: I believe that as a writer alone with the power of my pen I can wonder at the world, done to be myself and break all barriers of time, language and religion.
Favourite quotation: Your biggest competitor is your own view of the future.

Mehnaz Rashid

Ambition: I would like to help the society in a way to preserve a healthy environment by stopping pollution in land, air or water. I hope to pursue my studies to achieve this aim in life. That may make me an environmentalist, or a doctor or a social worker or whatever.
Favourite quotation: Life is beautiful if you know how to live it.

Zarif Haque

Ambition: My ambition was once to become a computer Software Engineer, then a doctor. So I have set my sights on becoming a bio-technologist.
Favourite quotation: "Limit your expectations and wishes to what you can have, not what you want but can not have. That is the harsh truth of our reality."

Ridwan Rahman

Ambition: Right now, my ambition is to get through my A-levels. Then, let's see.
Favourite quotation: Ability is what you are capable of doing. Motivation determines what you do. Attitude determines how well you do it." -- Lou Holt

Nafiz Imtiaz

Ambition in life : It is fortunate that I can see my ambition already taking shape. As I have set out to make my life purposeful, my presence is felt not only within the confinement of this page, but it is making an impact in the lives of others too, and that is hopefully in a good way.
Favourite quotation: "Winning isn't everything; it's the only

Canopus Safdar

Saimum Wahid

Ambition: To be recognised as a well respected member of the society and it is my earnest wish to excel in all aspects of life. As for career ambition my goal is to succeed in whatever profession I choose, preferably as Chartered Accountant or in the field of Economics.
Favourite quotation: Success is not forever, failure is not fatal, it is the courage to continue that counts. -- Sir Winston Churchill

Tamara Hussain

Ambition: My strongest wish is to become a big businesswoman and help provide fires in the homes of the poverty-stricken people of Bangladesh and make my contribution to human welfare in my own small way.
Favourite quotation: "Nothing is hopeless. We must hope for everything."

Sonia Ferdous Hoque

Ambition: To overcome the negative aspects of my character and extract my talent, so that I can once again make a new beginning to discover the world and cherish every facet of life.
Favourite quotation: "Don't pray to God for what you think is a dream, cause your biggest dream can turn out to be your biggest nightmare; instead pray to Him for peace and happiness."

Shaaz Marzia Ahmed

Ambition: To pursue a career in medicine.
Favourite quotation: Life doesn't have to be perfect to be wonderful.

Brendan Atkinson

Ambition: I want to become a bio-technologist who makes a meaningful scientific contribution but most importantly I would like to make my mother proud of me and thank her for all that she has done and sacrificed for me.
Favourite quotation: Life is like riding a bicycle. To keep your balance you must keep moving. Albert Einstein.

Haleemur Rasheed Mohammed Ali

Ambition: I want to become a Physicist and a Mathematician within the next five years.
Favourite quotation: The Great Bird will take its flight on the back of the great bird, bringing glory to the nest where it was born.

Shejuti Shehreen Sarwar

Ambition: To have done everything I need to do by the age of 40 and then become a Shaolin Monk.
Favourite quotation: "Remember where you came from; remember what it took to get you here. We need new dreams tonight". -- Paul Hewson, U2

AM Shayan Risaad Bari

Ambition: My ambition is to be someone my parents would be proud of. I hope to follow the footsteps of my father and grow up to be a successful doctor. I wish to serve my country with all my potential.
Favourite quotation: "It is not doing the things we like to do, but liking the things we have to do, that makes life blessed."

Ahmed Sharfee Shiban

Ambition: Biology has always been the subject that interests me and now I am on my way to accomplish my goals -- to study biotechnology. I want to obtain the highest I have been offered, put up my best effort and pray so that I succeed.
Favourite quotation: "Expectation is the root of all heartache."

Subehee Shahrin Ahmed

Ambition: This is something that has changed a zillion times in my life. Right now, I feel like I'd love to study medicine or the like. But who knows, I'll just have to wait to find out.
Favourite quotation: "Every man's death diminishes me, for I am a part of mankind. Therefore never sent to know for whom the bell tolls, it tolls for thee." John Donne

Imran Mohammed Choudhury

Ambition: I want to be the first zillionaire in the world.
Favourite quotation: "Turn your face to the sun and the shadows fall behind".

Ahmadul Hassan

Ambition: I want to give back something to my country and community after having kept enough for myself.
Favourite quotation: "Live as if you were to die tomorrow, learn as if you were to live forever."

Syed Sadaf Sultan

Ambition: To be a person who can look back at his by-gone days and think what a great life he has had.
Favourite quotation: "It takes millions to form a nation, but it only takes a few to change it."

Md. Shafiqur Rahman

Ambition: Life is a mystery in itself. So, I wish to enjoy with enthusiasm everyday of my life. To tell you the truth about my future aim, I really haven't decided yet. But I know one thing, whenever I go and whatever to become -- I will be the best in me.
Favourite quotation: "Live everyday as if it were your last."

Jesmin Saida Chowdhury

Ambition: In terms of my profession I aim to become a successful cardiologist. My ultimate aim would be to serve humanity in a way that would give meaning to my life and existence on this planet.
Favourite quotation: Do not follow where the path may lead. Go instead where there is no path and leave a trail -- Ralph Waldo Emerson.
